RE: special zoning request, case no. Sup-Sup 2411-0016

**We support** the requested variance for our next-door neighbors, the Burtons for their Specific Use Permit. Full support, no objections.

We live on the property contiguous (South side) of referenced Burton property. We also own property (Southwest) across the street from the Burtons in Indian Knoll Estates (lots 3,4,5,6—8933, 8917, 8901, 8817).
