

To Whom It May Concern,

5/21/21

I am opposed to SUP-21-0018 and live within the 300 foot buffer. I strongly oppose the White Bridle Learning and Therapy child-care facility due to the increased traffic in the neighborhood and a potential decrease of property values. I feel they have better options for a child care facility outside of the neighborhood.

I am the site resident of 690 Western Tr.
Keller TX 76248.

Thank you for your time,

Linn Vanover

Dear Ms. Smithers,

RE: NOTICE OF PUBLIC HEARING CASE NO- SUP -21-0018

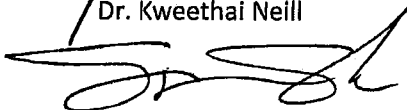

My husband Dr. Stork and I are owners of 697 Pryor Court in Keller, almost directly across the street from (696 Pryor Court) White Bridle Learning and Therapy. We support their SUP request. They provide a much-needed specialized care service for the community. It is very nice to see children walking in the neighborhood. We wish them well.

Please call me directly (Dr. Kweethai Neill cell 940 453 3589) if you have further questions.

Sincerely,

Dr. Kweethai Neill

Dr. Steve Stork
