Subject: Adding U-Haul Dropoff location

Dear Residents and Business Owners,

My name is Rakesh Basnet. I am the business owner of the "Daily Stop" Shell Station located at 797 Keller Parkway, Keller, Texas 76248. We are requesting a SUP permit for the above location to add a U-Haul drop off location. This drop-off facility will be available to the public from 7 AM to 8 PM on a regular basis. When needed this location will only be holding 5 U-Haul trucks at the maximum. Also, we would not park any big truck at the front of the store.

Adding this service will provide convenience to the resident of Keller living around the store.

Please sign below to provide your thoughts regarding our proposal.

Thank you for your consideration, and please let me know if you have any questions.

Sincerely,

Rakesh Basnet
