

To Whom It May Concern,

This letter is to serve as support for Daniel and Jamie Evans at 1013 Hillview Dr in Keller TX to keep their carport along the southern property line to remain as it is, where it is. I understand that it intrudes into the sideyard set back by roughly 3 feet and would therefore affect my ability to build along my Northern property line adjacent to their carport.

Thank you,

Hi Sarah,

This is Edward Jones at 1001 Hillview Dr in Keller. I'm writing this email to support the SUP-23-0032 request by Daniel and Jamie Evans at 1013 Hillview Dr in Keller. I understand it is to allow their carport to remain on the side of their home and encroach into the side yard setback. Thank you for your consideration in this matter.

Thank you!
Edward

Hi Sarah,

This is Travis Goodman at 1012 Hillview Dr in Keller. I'm emailing to show support for the SUP-23-0032 request by Daniel Evans at 1013 Hillview Dr in Keller. I support the variance to allow their carport to remain on the side of their home and to be in the side yard setback.

Thanks,

My response for the city:

We fully support the variance for this property, both the carport and the side variance if this will set a precedence and allow others in Keller to do the same.
