HELPING AT RISK CHILDREN ACHIEVE THEIR GOALS

## About Us

Stepping Stones Foundation is a 501(c)3 Nonprofit dedicated to serving **youth in crisis** throughout North Texas by providing access to emergency housing, food, clothing and medical care as well as offering an array of programs and services aimed to empower and instill the necessary tools for making positive life choices.

These students are referred to us by intervention counselors where the Foundation fulfills their immediate needs. Our many program serve to support our mission and encourage each child to take steps toward a better future. These programs also work to bring about change, break unhealthy cycles and begin to bring hope to an otherwise hopeless situation with our guidance and mentoring.

Our programs are: "*Project Perseverance*", our largest outreach program providing basic human necessities such as food, shelter and clothing, while helping to fulfill emotional needs. "*Project Oasis*" improves living conditions and provides needed items for a child to get a good night's sleep in their current or new environment. The "*Work For It*" program gives them an opportunity to learn a trade, improve self-esteem, and gain a proper work ethic through mentoring. "*Hunger Force*" provides food to children and families at home or at school.

The Stepping Stones resale boutique is located at 139 E. Taylor St., Keller and open Tue-Sat from 10am - 5pm. It sells gently used clothing, accessories, home décor and furniture and all proceeds benefit our kids. This is where our kids shop year round for free. Regular events in the spring and fall are held to bring large groups of students to the boutique for clothing, food, shoes and toiletries.

Donations of clothing and small furniture items are always needed at the Boutique and monetary donations are always appreciated by visiting our website.
