C. PERSONS TO BE HEARD

This is a time for the public to address the Board on any subject. Issues raised may be referred to City Staff for research and possible future action.

There were no persons to be heard.

D. DISCUSSION

[Keller's Got Talent - Music Edition](#)

Chairperson Wyatt opened the discussion to the board about Keller's Got Talent (KGT) - Music Edition.

The board decided that for the first year of incorporating music into Keller's Got Talent, they would try to keep things as simple as possible. One entry will be allowed per musician(s). The fee for the entry will be \$20.00 - which is the same as the regular entry fee for Keller's Got Talent. Participation will be limited to people ages 16+ living in the KISD footprint - just like the stipulations for the current Keller's Got Talent program.

The board voted to not have categories for KGT music edition. The board also decided to have the winners of KGT put on the city's website. Also decided was the idea to give certificates to winners and no longer give ribbons. Staff will look into pricing for yard signs. One stipulation that should be added is to let the participants of KGT music edition know that they may have the opportunity to play at a future public arts event. Lastly, the board decided to mirror KGT and have a judge(s) select a winner(s) and the board will select their own winner. The judge(s) will indicate the participants they see as "top 5" - of these five, the board will select their own winner.

[Signal Box Discussion](#)

Discussion was had about doing a call for the signal boxes. The idea of having 2 boxes replaced per year was floated. The item was ultimately tabled.
