

The Tiki Hut of Keller

Dear City Council Members and Planning & Zoning Committee-

Attached you will find my SUP application, information about my business and pictures from the location in question, 705 S Main.

I am requesting an SUP Permit for The Tiki Hut of Keller located at 705 S Main to continue to operate as we have been doing so since 2003 each summer, April - September. My stand would follow the same criteria as set forth in the past. All other aspects are still considered non-legal conforming, but the use of time now falls under an SUP. I am requesting this SUP be valid each summer moving forward.

This will be our 21st season in this location!!!

Please feel free to contact me if you have any other questions!

Thank you for your time!

Who is The Tiki Hut of Keller?

The Tiki Hut of Keller, TX was founded in 2003 and has been located in the Keller area since that time, in Mr. Jim's Pizza parking lot at, 705 S. Main in Keller, TX. Owned by Cathy and Eric Smith of Keller, TX. We take great pride in our facilities as each building is maintained to look like new each and every year.

Our entire business is designed to fit neatly into 4 parking spaces. 1 to 1 ½ spaces are used for the building and our exterior ice merchandiser/freezer, and the remainder is used for our seating area. Our buildings are 10 x 10 x 8. The exterior is wood and is painted white. Mounted flush on the building will be our menu and our signage.

Due to the Texas heat, we sometimes use removable umbrellas that attach to our tables to provide shade for our patronage. We do not use tents, tarps or any other form of a shade structure.

Additional lighting is not required for our business. We do, however, use indirect lighting in the customer ordering area.

Our buildings are totally self-contained. We bring in fresh water daily and keep a day's worth of reserve, so fresh water is always available. It is added to the holding tank as needed. A pressurized demand pump system is used to allow water to flow, so access to a city water line is not required. Buildings are also equipped with a portable waste water (gray water) holding tank that is removed each night and disposed of through the city sewer system at our residence.

In September 2007, the Star Telegram asked readers to tell them about their favorite one room restaurants, The Tiki Hut of Keller was voted the Best Snow Cone stand in Northeast Tarrant County. The newspaper article is attached for your enjoyment.

Also, included are some current pictures from our past season at the location located at 705 S Main and as you can tell it is definitely a family place. It is not uncommon to see entire families here enjoying an evening together.

Our locations are open seasonally, April – August of each year. We are open daily, Sunday – Saturday (weather permitting), 3pm – 9pm.

What do we offer as a tenant?

The Tiki Hut of Keller is a favorite spot for many families of the Keller area. Many people are regular, daily customers who are incredibly happy when we open April 1 of every year and incredibly saddened when we close at the end of each August. While many people wish for The Tiki Hut to stay opened year round, we have found that operating seasonally keeps the customers wanting more. We offer a professionally maintained facility complete with corporate graphics (see attached photo). As a tenant of the locations we currently occupy, we have successfully brought attention to other businesses that quite possibly would have been overlooked by people had they not stopped at our location. We attract hundreds of people a day to our locations. We cater to families who make it an evening ritual to come to our locations and spend quality time with their children while enjoying a shave ice in a well lit, safe, family environment. We offer tenants of the property that we occupy advertising possibilities with the placement of ads or coupons at our building that can be distributed with each shave ice sold. Bottom line, we generate traffic through the centers we occupy.

The Tiki Hut is tops with readers

BY DAVE FERMAN

ELLER — Two Sundays ago, I asked you to tell us your favorite one-room restaurant — the snow cone stand, barbecue shack or taqueria you love the most.

The people have spoken, and the winner — by a large margin — is The Tiki Hut of Keller, a tiny yellow wood

building in the parking lot of Mr. Jim's Pizza south of U.S. 377 and Bear Creek Parkway.

"It's just a happy place," said co-owner Cathy Smith, who, along with husband Eric, bought the stand four years ago. She serves 38 flavors of shaved ice in four sizes, costing \$1.25 to \$2.50.

"Eric and I thought it'd be fun, and it is, but it's a lot of

work," Smith said. "We spend a lot of hours here."

Fans who wrote in praised the stand for its generous portions, the tasty flavors and the friendliness of the teenage workers.

Smith hires the children of friends or those she meets at her church.

The stand is open from April through September and

serves cones from 3 to 9 p.m. daily. Hours are expanded in the summer.

"I love it, and we'll continue to do it," Smith said. "When people come here, they're happy. They don't worry about their day, and they don't argue with you."

The runner-up in the one-room-restaurant vote? Gran-ny's Snowball in Bedford.

Snow cone stand a 'people business'

by SARAH JUNEK

It's snowing in Keller, but not for much longer: The summer is technically over, but snow cones are still being sold.

The "oasis of shave ice euphoria" that is Tropical Sno, dubbed the "highest quality and best-tasting shave ice in the world," according to the company's Website, is still selling Tiger's.

That's the most popular flavor, according to Kathy Smith, a concoction of 60 percent strawberry and 40 percent coconut.

Flavors range from Wedding Cake, a mix of vanilla and coconut, to Lovers Delight, a passion fruit and guava mix.

David Hayes, one of the servers, said he likes his summer job at the hut. He's normally at the Keller Parkway location in the Keller Crossing shopping center. Hayes says undecided customers usually get sized up for their sweet or sour preferences.

"Some want a deep flavor," he said. "Kids usually get the cotton candy or bubble gum," and Dads, "they get the Cherry Blaster."

Moms? They "like to mix it up a lot." Some like Pina Colada and Georgia Peach – which he says "tastes pretty close" to the fruit.

He's a graduate of Grapevine Faith Academy and like many

others after high school, keeps coming back to work for Smith.

At the U.S. 377 location, four students just out of band camp practice at Keller High School finish off a cool cup.

"Whenever it comes up in the subject, we've got to go," Jasmine Ashford said of the decision process that led them to the hut that day.

The decision was "pretty much unanimous," said Kate Kidd. After a long, grueling six-hours day of band practice, it was a much-needed treat.

Their favorite? Tiger's Blood.

"It's just nice how it melts in your mouth," said Collin Kidd. "It's a good sugar rush."

Though some in the group didn't know much about the Tiki Hut, they all expected to be back.

The Tiki Hut of Keller is serving up flavor from two locations and one in Fort Worth off Golden Triangle and Beach Street.

The Keller Parkway location will close the end of August, but the U.S. 377 location will stay open through September. Every year, the small huts open for business between 1 and 10 p.m. seven days a week and provides summer jobs for 12 to 16 kids, said Smith.

"It's a people business," she said.

run a hut? Smith isn't exactly sure but says, on average, "we go through at least ten bags of ice a day – 20 blocks."

Flavor run-outs have never been a big problem, but strawberry "most definitely" is usually the first to go.

Smith's favorite flavor – Wedding Cake, a vanilla and coconut mix: "It's very sweet."

The "actual flakes" makes shaved better, she said. But going into business, though time consuming, is "a lot of fun."

"We've got a lot of regulars and some of the people I've become friends with."

This year they began donating

50 cents to help fight breast cancer for every customer who buys pink lemonade and pink grapefruit flavors.

FOR IMMEDIATE RELEASE

The Tiki Hut of Keller Receives 2015 Best Businesses of Keller Award

Keller Award Program Honors the Achievement

Keller, October 16, 2015 -- The Tiki Hut of Keller has been selected for the 2015 Best Businesses of Keller Award in the Shaved Ice category by the Best Businesses of Keller Award Program.

Each year, the Best Businesses of Keller Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Keller area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Best Businesses of Keller Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Best Businesses of Keller Award Program and data provided by third parties.

About the Best Businesses of Keller Award Program

The Best Businesses of Keller Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Keller area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Best Businesses of Keller Award Program was established to recognize the best of local business in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.
