Item G-1

Background:

The Applicant is requesting an SUP to install a charging station for electric vehicles in the existing parking area of the property located at 1000 Keller Parkway.

In the Town Center (TC) Zoning District, an SUP is required for automobile electric charging stations.

Item G-1

Charging Station Details:

The charging station will be comprised of 9 standard charging stalls and 1 accessible charging stall serviced by 5 Alpitronic HYC400 dual-port dispensers. The installation will also include 6 smart poles, 1 electrical switchboard, 1 utility transformer and 2 trash cans.

Item G-1

Revised Proposal:

The Applicant has updated their original application to indicate a new location for the charging station, which is now proposed north of the original location, adjacent to Rufe Snow Drive on the western side of the property.

There are 11 existing parking spaces that will be reconfigured to install 10 EV charging stalls, meaning there is a net loss of 1 parking space.

The revised application packet also includes proposed signage to indicate usage of the parking stalls for non-electric vehicles.

Item G-1

On June 12, 2025, the City mailed 12 Letters of Notification for this Public Hearing to all property owners within three-hundred feet (300') of the subject site. A public hearing notice sign was posted on the site.

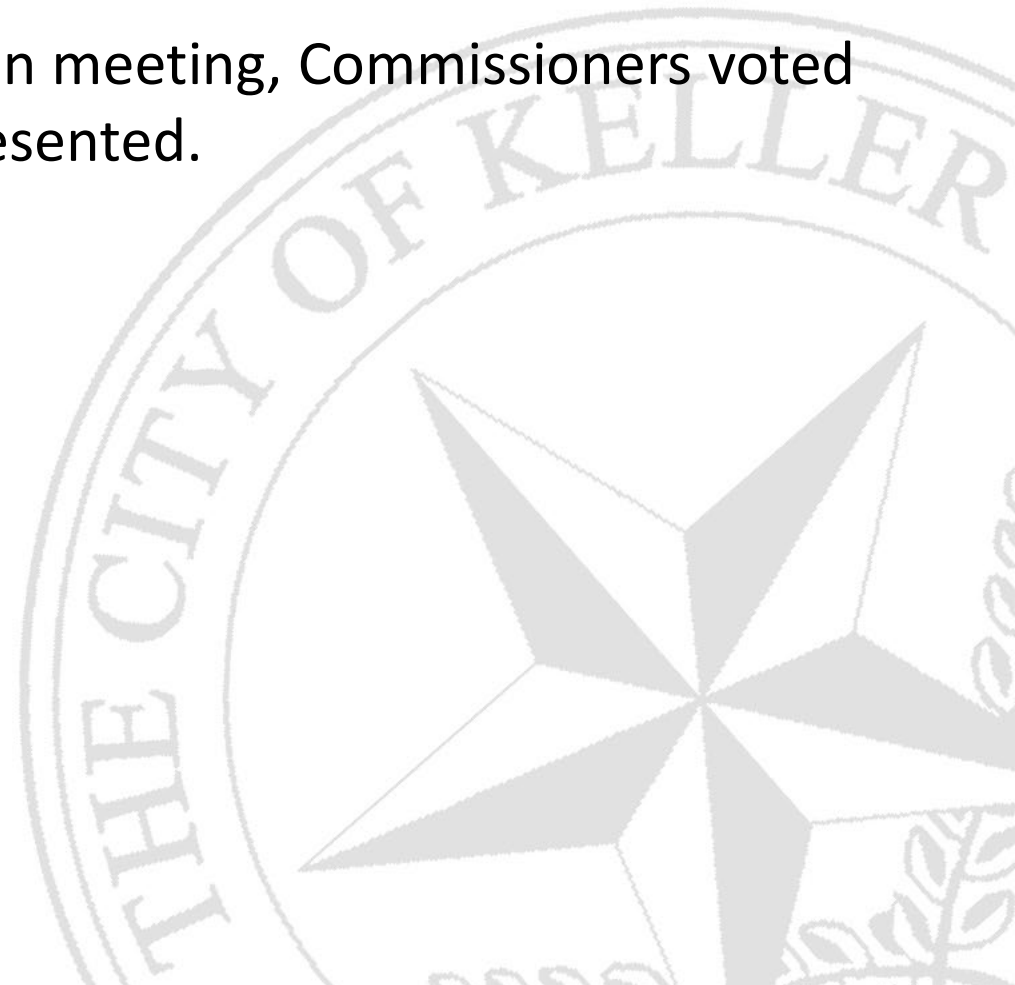

Staff has received 1 letter of opposition in response to this request.

Item G-1

Planning and Zoning Commission Recommendation:

At the June 24, 2025, Planning and Zoning Commission meeting, Commissioners voted 5-2 to recommend approval of the SUP request as presented.

Item G-1

Section 8.02 (F)(2)(a) of the UDC states that when considering an SUP request, the City Council shall consider the following factors:

- 1) The use is harmonious and compatible with surrounding existing uses or proposed uses;
- 2) The activities requested by the applicant are normally associated with the permitted uses in the base district;
- 3) The nature of the use is reasonable and appropriate in the immediate area;
- 4) Any negative impact on the surrounding area has been mitigated; and
- 5) That any additional conditions specified ensure that the intent of the district purposes are being upheld.

Item G-1

Request:

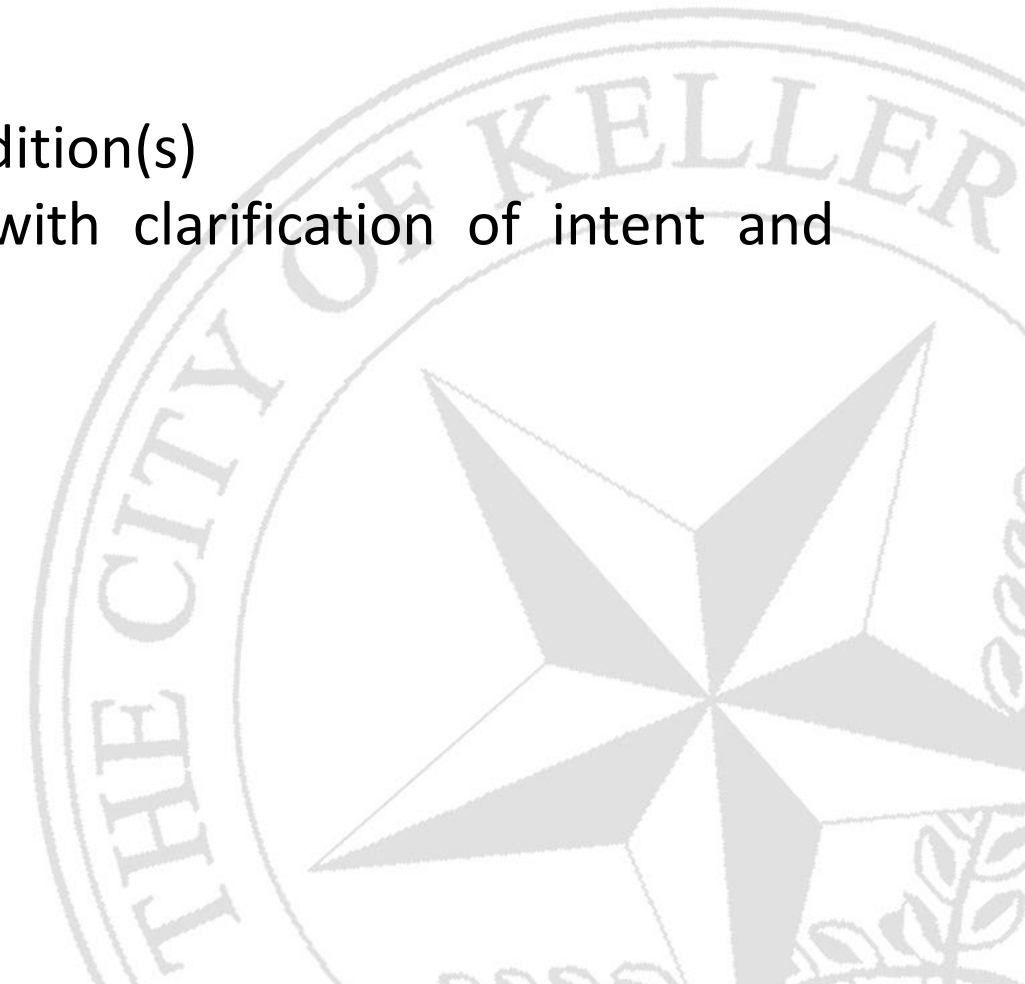

An SUP for an automobile electric charging station in the Town Center (TC) zoning district.

Item G-1

The City Council has the following options when considering an SUP request:

- Approve as submitted
- Approve with modifications or additional condition(s)
- Table the agenda item to a specific date with clarification of intent and purpose
- Deny
