Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions.

Please check (✓) one of the following:

- I certify that my company is a **Resident Proposer**.  
 I certify that my company is a **Nonresident Proposer**.

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

_____		_____

_____		_____	
City	State	Zip Code	

- A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?  
 Yes     No
- B. What is the prescribed amount or percentage? \$ \_\_\_\_\_ or \_\_\_\_\_ %

## DEBARMENT CERTIFICATION

By signature on the Compliance Forms Signature Page, I certify that neither my company nor an owner or principal of my company has been debarred, suspended or otherwise made ineligible for participation in Federal Assistance programs under Executive Order 12549, "Debarment and Suspension," as described in the Federal Register and Rules and Regulations. Neither my company nor an owner or principal of my company is currently listed on the government-wide exclusions in SAM, debarred, suspended, or otherwise excluded by agencies or declared ineligible under any statutory or regulatory authority. My company agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from my company if my company or an owner or principal is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under any statutory or regulatory authority.

## VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. ## NO BOYCOTT VERIFICATION

A Texas governmental entity may not enter into a contract with a value of \$100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel and will not boycott Israel during the term of the contract (TEX. GOV'T CODE Ch. 2271), (2) does not boycott energy companies and will not boycott energy companies during the term of the contract (TEX. GOV'T CODE Ch. 2276), and (3) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association (TEX. GOV'T CODE Ch. 2274). Accordingly, this certification form is included to the extent required by law.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

"Boycott energy company" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by Paragraph (A). TEX. GOV'T CODE §809.001(1).

"Discriminate against a firearm entity or firearm trade association" means, (A) with respect to the entity or association, to: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; and (B) does not include: (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship: (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency; or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association. TEX. GOV'T CODE §2274.001(3).

By signature on the Compliance Forms Signature Page, to the extent applicable, I certify and verify that Vendor does not boycott Israel, boycott energy companies, or discriminate against a firearm entity or firearm trade association and will not do so during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

## NO EXCLUDED NATION OR FOREIGN TERRORIST ORGANIZATION CERTIFICATION

Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature on the Compliance Forms Signature Page, I certify and verify that Vendor is not on the Texas Comptroller’s list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

## HISTORICALLY UNDERUTILIZED BUSINESS CERTIFICATION

A Proposer that has been certified as a Historically Underutilized Business (also known as a Minority/Women Business Enterprise or “MWBE” and all referred to in this form as a “HUB”) is encouraged to indicate its HUB certification status when responding to this Proposal Invitation. The BuyBoard website will indicate HUB certifications for awarded Vendors that properly indicate and document their HUB certification on this form. *(Please check (✓) all that apply)*

- I certify that my company has been certified as a HUB in the following categories:
- Minority Owned Business**       **Women Owned Business**  
 **Service-Disabled Veteran Owned Business (veteran defined by 38 U.S.C. §101(2), who has a service-connected disability as defined by 38 U.S.C. § 101(16), and who has a disability rating of 20% or more as determined by the U. S. Department of Veterans Affairs or Department of Defense)**

**Certification Number:** \_\_\_\_\_

**Name of Certifying Agency:** \_\_\_\_\_

- My company has **NOT** been certified as a HUB.

## ACKNOWLEDGEMENT OF BUYBOARD TECHNICAL REQUIREMENTS

Vendor shall review the BuyBoard Technical Requirements included in this Proposal Invitation. By signature on the Compliance Forms Signature Page, the undersigned affirms that Proposer has obtained a copy of the BuyBoard Technical Requirements, has read and understands the requirements, and certifies that Vendor is able to meet and will comply with those requirements except as follows: *[List and explain BuyBoard Technical Requirements, if any, to which your company cannot or will not comply.]*

---

---

Note: In accordance with the General Terms and Conditions of the Contract, to the extent Vendor is awarded a Contract under this Proposal Invitation but is unable or unwilling to meet the applicable BuyBoard Technical Requirements, the information available on the BuyBoard for Vendor’s awarded products or services may be limited, potentially placing Vendor at a disadvantage and impacting the ability of Cooperative members to search, find, review, and purchase Vendor’s awarded products and services on the BuyBoard website. Further, to the extent Vendor has acknowledged ability to meet and comply with the BuyBoard Technical Requirements, any subsequent failure or refusal by Vendor to promptly provide information upon request to the Cooperative administrator in accordance with those technical requirements may be deemed an event of default under the Contract.

**Initial:** MLM

## CONSTRUCTION-RELATED GOODS AND SERVICES AFFIRMATION

The Cooperative issued the BuyBoard Procurement and Construction-Related Goods and Services Advisory for Texas Members ("Advisory"), which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The Advisory, available at [buyboard.com/Vendor/Resources.aspx](http://buyboard.com/Vendor/Resources.aspx), provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services. A copy of the Advisory can also be provided upon request. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer must make this Construction Related-Goods and Services Affirmation regardless of type of goods or services associated with this Proposal Invitation.

A contract awarded under this Proposal Invitation covers only the specific goods and/or services awarded by the Cooperative. As explained in the Advisory ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This Proposal Invitation and any Contract awarded thereunder does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

By signature on the Compliance Forms Signature Page, Proposer affirms that Proposer has obtained a copy of the Advisory, has read and understands the Advisory, and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a Contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before accepting the member's Purchase Order or other agreement for construction-related goods or services.

To improve and enhance the experience of BuyBoard members seeking to procure goods and services under the Contract utilizing the BuyBoard website, any Vendor logo, product images, and similar brand and trademark information provided by Vendor for purposes of the Contract ("Vendor Information") may be posted on the BuyBoard website.

**You acknowledge that, by submitting your Proposal, unless you specifically opt out below, you consent to use of your company's Vendor Information on the BuyBoard website if awarded a Contract.** You further acknowledge that whether, where, and when to include the Vendor Information on the BuyBoard website shall be at the sole discretion of the BuyBoard Administrator. Vendor retains, however, the right of general quality control over the BuyBoard Administrator's authorized display of proprietary Vendor Information. Neither the BuyBoard nor its administrator will be responsible for the use or distribution of Vendor Information by BuyBoard members or any other third party using the BuyBoard website. This Vendor Consent shall be effective for the full term of the Contract, including renewals, unless Vendor provides a signed, written notice revoking consent to [contractadmin@buyboard.com](mailto:contractadmin@buyboard.com). BuyBoard shall have up to thirty days from the date of receipt of a termination or revocation of a Vendor Consent to remove Vendor information from the BuyBoard website.

This Vendor Consent is subject to the Terms and Conditions of the Contract, including, but not limited to, those terms pertaining to Disclaimer of Warranty and Limitation of Liability, Indemnification, and Intellectual Property Infringement.

Vendor logo files must be submitted in one of the formats set forth in the BuyBoard Technical Requirements. Proposers are requested to submit this information with Vendor's Proposal. (This consent shall not authorize use of your company's Vendor Information by BuyBoard if your company is not awarded a Contract.)

### OPT OUT:

If your company wishes to opt out of the Vendor Consent for Name Brand Use, you must check the opt out box below. ***DO NOT select this box unless your company is opting out of this Vendor Consent for Name Brand Use.***

By checking this box, Vendor hereby declines to provide consent for use of Vendor Information (as defined herein) on the BuyBoard website. **By opting out, Vendor acknowledges and agrees that, if Vendor is awarded a Contract under this Proposal Invitation, information available on the BuyBoard for Vendor's awarded products or services may be limited, potentially placing Vendor at a disadvantage and impacting the ability of Cooperative members to search, find, review, and purchase Vendor's awarded products and services on the BuyBoard website.**

## NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

### **By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:**

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members, vendor invoices, and/or such other documentation regarding those purchase orders as the Cooperative's administrators may require in their reasonable discretion for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Texas and venue for any dispute shall lie in the federal district court of Travis County, Texas.

8. ## MANUFACTURER DEALER DESIGNATION

If Vendor is a manufacturer that sells products through a dealer network and wishes to designate a dealer or multiple dealers ("Designated Dealers") to receive Cooperative member Purchase Orders on Vendor's behalf, you must complete this form for each dealer you wish to designate.

Regardless of any Designated Dealers submitted by Vendor, Vendor specifically agrees and acknowledges that any such designations are for Vendor's convenience only and shall not, if Vendor is awarded a Contract, relieve Vendor of any obligations under the Contract, including payment of Cooperative service fees on all Purchase Orders submitted to Vendor or any Designated Dealer. In accordance with the General Terms and Conditions, an awarded Vendor shall remain responsible and liable for all of its obligations under the Contract and the performance of both Vendor and any of Vendor's Designated Dealers under and in accordance with the Contract and remain subject to all remedies for default thereunder, including, but not limited to suspension and termination of Vendor's Contract for nonpayment of service fees.

If awarded, Vendor authorizes the Cooperative, in its sole discretion, to list any Vendor Designated Dealers in the BuyBoard system and to receive Purchase Orders directly from Cooperative members on behalf of Vendor. To the extent a Vendor with Designated Dealers receives a Purchase Order directly, it shall be the responsibility of Vendor to appropriately process such Purchase Order in accordance with the Contract, including but not limited to timely forwarding such Purchase Order to a Designated Dealer for processing.

The Cooperative reserves the right, in its sole discretion, to refuse addition of, or request removal of, any Designated Dealer, and Vendor agrees to immediately require such Designated Dealer to cease accepting Purchase Orders or otherwise acting on Vendor's behalf under the Contract. Further, the Cooperative administrator shall be authorized to remove or suspend any or all Designated Dealers from the BuyBoard at any time in its sole discretion.

If you wish to designate a dealer to service a contract awarded under this Proposal Invitation, please list the Designated Dealer below. If you wish to designate multiple dealers, please duplicate this form as necessary.

## VENDOR REQUEST TO SELF-REPORT BUYBOARD PURCHASES

The General Terms and Conditions require that all Purchase Orders generated by or under any Contract awarded under this Proposal Invitation be processed through the BuyBoard and, except as expressly authorized in writing by the Cooperative administrator, Vendors are not authorized to process Purchase Orders received directly from Cooperative members that have not been processed through the BuyBoard or provided to the Cooperative. In accordance with this provision, Vendor may request authorization of the Cooperative administrator to self-report Cooperative member purchases if awarded a Contract under this Proposal Invitation. By making such a request, Vendor acknowledges and agrees that self-reporting is specifically subject to and conditioned upon (1) Vendor's agreement to the Additional Terms and Conditions for BuyBoard Self-Reporting which are included in this Proposal Invitation and incorporated herein for all purposes and (2) approval of this request in writing by the Cooperative administrator.

**Note: This form is NOT required as part of your proposal. You should sign and return this form ONLY if you wish to request authorization to self-report BuyBoard purchases.** Any request to self-report will not be effective, and Vendor shall not be authorized to self-report BuyBoard member purchases, unless and until (1) Vendor is awarded a Contract under this Proposal Invitation, and (2) the request has been approved in writing by the Cooperative administrator.

## PROPOSAL SPECIFICATION SUMMARY

The categories and items specified for this Proposal Invitation are summarized below. For full Proposal Specifications, you must review and complete the Proposal Specification information in the electronic proposal submission system in accordance with the Instructions to Proposers (or, if submitting a hard copy Proposal, timely request and complete the Proposal Specification Form in accordance with the Instructions to Proposers).

**PROPOSAL NOTE 1:** Vendors proposing must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation **shall submit an approval letter** from each manufacturer for each product line proposed. The requirement to provide an approval letter from the manufacturer applies to both seller and installers.

Manufacturers responding directly to this proposal invitation, in lieu of an authorization letter, shall submit a written explanation that the company is the manufacturer of the product line(s) proposed. Dealer authorization agreements will not be accepted as a substitute for the manufacturer authorization letter.

The manufacturer authorization letters must include the following.

1. Composed on manufacturer letterhead (an email message is not a substitute for the letter),
2. Addressed to "The Local Government Purchasing Cooperative,"
3. Dated within the current calendar year,
4. List the regions in Texas and states that Vendor is authorized to sell, install, and service product(s) proposed, and
5. Name, Title, and Signature of Authorized Official from Manufacturer.

**PROPOSAL NOTE 2:** A Vendor in Texas must have and maintain for the life of the Contract any Franchise Motor Vehicle Dealer Certificate and/or other license/certificate as required by the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. **Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).**

**PROPOSAL NOTE 3:** The Proposal Invitation seeks base model pricing for vehicles. Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All fire service apparatus vehicles must meet or exceed all requirements and comply with or exceed all Federal Motor Vehicle Safety Standards, FMVSS. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of quote/order. All options are to be priced at standard government pricing. Vendors shall submit a COMPLETE catalog(s)/pricelist(s) OF ALL OPTIONAL EQUIPMENT AND PARTS with their Proposal response or the Proposal will not be considered. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Vendors shall submit manufacturer upgrade options for each model proposed including alternative fuel equipment (CNG, Electric, Hybrid, LPG, etc.). Vendors shall submit catalog(s)/pricelist(s) in a readily available and readable electronic format, with Excel or searchable PDF preferred. **No paper catalogs or manufacturer/vendor websites will be accepted.**

**PROPOSAL NOTE 4:** All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable state inspection, state title, state registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for fire service apparatus vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees **shall not** be included in the price of a vehicle for the purpose of this proposal but **must** be listed separately as a line-item price on individual quotes for any potential Cooperative member purchase.

2	<b>No Boycott Verification/No Excluded Nation or Foreign Terrorist Organization Certification/Historically Underutilized Business Certification</b> No Boycott Verification/No Excluded Nation or Foreign Terrorist Organization Certification/Historically Underutilized Business Certification

**3 No Boycott Certification**

A Texas governmental entity may not enter into a contract with a value of \$100,000 or more that is to be paid wholly or partly from public funds with a company (excluding a sole proprietorship) that has 10 or more full-time employees for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel and will not boycott Israel during the term of the contract (TEX. GOV'T CODE Ch. 2271), (2) does not boycott energy companies and will not boycott energy companies during the term of the contract (TEX. GOV'T CODE Ch. 2276), and (3) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association (TEX. GOV'T CODE Ch. 2274). Accordingly, this certification form is included to the extent required by law.

“Boycott Israel” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. TEX. GOV'T CODE §808.001(1).

“Boycott energy company” means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by Paragraph (A). TEX. GOV'T CODE §809.001(1).

“Discriminate against a firearm entity or firearm trade association” means, (A) with respect to the entity or association, to: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; and (B) does not include: (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (ii) a company’s refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship: (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency; or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity’s or association’s status as a firearm entity or firearm trade association. TEX. GOV'T CODE §2274.001(3).

By signature on the Compliance Forms Signature Page, to the extent applicable, I certify and verify that Vendor does not boycott Israel, boycott energy companies, or discriminate against a firearm entity or firearm trade association and will not do so during the term of any contract awarded under this Proposal Invitation, that this certification is true, complete and accurate, and that I am authorized by my company to make this certification.

**4 No Excluded Nation or Foreign Terrorist Organization Certification**

Chapter 2252 of the Texas Government Code provides that a Texas governmental entity may not enter into a contract with a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

By signature on the Compliance Forms Signature Page, I certify and verify that Vendor is not on the Texas Comptroller’s list identified above; that this certification is true, complete and accurate; and that I am authorized by my company to make this certification.

If you plan to service the entire United States or only specific states, you must complete this form accordingly. <i>(Note: If you plan to service Texas Cooperative members, be sure that you complete the Texas Regional Service Designation form.) In addition to this form, to be considered for a piggy-back award by the National Purchasing Cooperative, you must have an authorized representative sign the National Purchasing Cooperative Vendor Award Agreement that follows this form.</i>  If you serve different states for different products or services included in your Proposal, you must complete and submit a separate State Service Designation form for each group of products and clearly indicate the products or services to which the designation applies. <i>By designating a state or states, you are certifying that you are authorized and willing to provide the proposed products and services in those states. Designating states in which you are either unable or unwilling to provide the specified products and services shall be grounds for either rejection of your Proposal or, if awarded, termination of your Contract.</i>

Vendors shall submit catalog(s)/pricelist(s) in a readily available and readable electronic format, with Excel or searchable PDF preferred. **No paper catalogs or manufacturer/vendor websites will be accepted.**

Vehicle fees not included in the base model price(s) will not be permitted. Dealer authorization agreements will not be accepted as a substitute for the manufacturer authorization letter.

The manufacturer authorization letters must include the following.

1. Composed on manufacturer letterhead (an email message is not a substitute for the letter),
2. Addressed to "The Local Government Purchasing Cooperative,"
3. Dated within the current calendar year,
4. List the regions in Texas and states that Vendor is authorized to sell, install, and service product(s) proposed, and
5. Name, Title, and Signature of Authorized Official from Manufacturer.

**PROPOSAL NOTE 2:** A Vendor in Texas must have and maintain for the life of the Contract any Franchise Motor Vehicle Dealer Certificate and/or other license/certificate as required by the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. **Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).**

**PROPOSAL NOTE 3:** The Proposal Invitation seeks base model pricing for vehicles. Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All fire service apparatus vehicles must meet or exceed all requirements and comply with or exceed all Federal Motor Vehicle Safety Standards, FMVSS. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of quote/order. All options are to be priced at standard government pricing. Vendors shall submit a COMPLETE catalog(s)/pricelist(s) OF ALL OPTIONAL EQUIPMENT AND PARTS with their Proposal response or the Proposal will not be considered. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Vendors shall submit manufacturer upgrade options for each model proposed including alternative fuel equipment (CNG, Electric, Hybrid, LPG, etc.). Vendors shall submit catalog(s)/pricelist(s) in a readily available and readable electronic format, with Excel or searchable PDF preferred. **No paper catalogs or manufacturer/vendor websites will be accepted.**

**PROPOSAL NOTE 4:** All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable state inspection, state title, state registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for fire service apparatus vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees **shall not** be included in the price of a vehicle for the purpose of this proposal but **must** be listed separately as a line-item price on individual quotes for any potential Cooperative member purchase.

Vendors shall submit manufacturer upgrade options for each model proposed including alternative fuel equipment (CNG, Electric, Hybrid, LPG, etc.). Vendors shall submit catalog(s)/pricelist(s) in a readily available and readable electronic format, with Excel or searchable PDF preferred. **No paper catalogs or manufacturer/vendor websites will be accepted.**

**PROPOSAL NOTE 4:** All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable state inspection, state title, state registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for fire service apparatus vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. Item Notes: **PROPOSAL NOTE 1:** Vendors proposing must be approved by the manufacturer to sell, install, and service the brand of equipment submitted. Proposers responding to this Proposal Invitation **shall submit an approval letter** from each manufacturer for each product line proposed. The requirement to provide an approval letter from the manufacturer applies to both seller and installers.

Manufacturers responding directly to this proposal invitation, in lieu of an authorization letter, shall submit a written explanation that the company is the manufacturer of the product line(s) proposed. Dealer authorization agreements will not be accepted as a substitute for the manufacturer authorization letter.

The manufacturer authorization letters must include the following.

1. Composed on manufacturer letterhead (an email message is not a substitute for the letter),
2. Addressed to "The Local Government Purchasing Cooperative,"
3. Dated within the current calendar year,
4. List the regions in Texas and states that Vendor is authorized to sell, install, and service product(s) proposed, and
5. Name, Title, and Signature of Authorized Official from Manufacturer.

**PROPOSAL NOTE 2:** A Vendor in Texas must have and maintain for the life of the Contract any Franchise Motor Vehicle Dealer Certificate and/or other license/certificate as required by the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. **Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).**

**PROPOSAL NOTE 3:** The Proposal Invitation seeks base model pricing for vehicles. Vendors should propose direct replacement models if a vehicle/truck model specified below has been discontinued by the manufacturer. All fire service apparatus vehicles must meet or exceed all requirements and comply with or exceed all Federal Motor Vehicle Safety Standards, FMVSS. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of quote/order. All options are to be priced at standard government pricing. Vendors shall submit a COMPLETE catalog(s)/pricelist(s) OF ALL OPTIONAL EQUIPMENT AND PARTS with their Proposal response or the Proposal will not be considered. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Vendors shall submit manufacturer upgrade options for each model proposed including alternative fuel equipment (CNG, Electric, Hybrid, LPG, etc.). Vendors shall submit catalog(s)/pricelist(s) in a readily available and readable electronic format, with Excel or searchable PDF preferred. **No paper catalogs or manufacturer/vendor websites will be accepted.**

**PROPOSAL NOTE 4:** All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable state inspection, state title, state registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for fire service apparatus vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees **shall not** be included in the price of a vehicle for the purpose of this proposal but **must** be listed separately as a line-item

price on individual quotes for any potential Cooperative member purchase.

## MANAGEMENT AGREEMENT

**THIS MANAGEMENT AGREEMENT** effective the 20<sup>th</sup> day of February, 2024, (“Effective Date”) between HFJ Group, LLC d/b/a Lone Star Emergency Group, LLC, hereinafter referred to as “Dealer” and Allsource Enterprises of Texas, LLC, hereinafter referred to as “Operator” (Dealer and Operator are each a “Party” and together “Parties”). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such term in the Asset Purchase Agreement (as defined below).

### WITNESSETH:

**WHEREAS**, Dealer, as seller, and Operator, as buyer, entered into an Asset Purchase Agreement for the sale and purchase of assets of a REV Group Fire Equipment and Fire Master Fire Equipment dealership, dated February 16, 2024 (“Asset Purchase Agreement”), whereby Operator is to purchase substantially all of the dealership assets of Dealer which are used in the operation of the factory authorized fire equipment dealership engaged in the business of selling, servicing and financing new and used motor fire equipment apparatus principally located at 4553 Aldine Bender Road, Houston, Texas 77032 and 1331 East Beltline Rd., Wilmer, Texas 75172 (the “Dealership”);

**WHEREAS**, Operator is required, as a condition precedent to the operation of the Dealership, to obtain approval from the Texas Department of Motor Vehicles (“DMV”) to own and operate the Dealership (“DMV Approval”);

**WHEREAS**, Operator has not yet received DMV Approval;

**WHEREAS**, Dealer desires that Operator immediately assume operation of the Dealership, and Operator is willing to do so; and

**WHEREAS**, to facilitate the closing of the sale of assets at the Dealership (except for the intangible assets relating solely to the Dealership) while awaiting DMV Approval, the Parties agree as follows:

**NOW, THEREFORE**, in consideration of the mutual promises and benefits of the parties, it is agreed as follows:

**1. Asset Purchase Agreement.** Operator and Dealer shall abide by all of the terms and conditions and provisions of the Asset Purchase Agreement with regard to the purchase of assets for the Dealership by Operator from Dealer.

**2. Licensed Dealer.** Dealer shall remain as the licensed dealer at the Dealership until Operator receives the necessary DMV Approval to operate the Dealership. Operator shall use its commercially reasonable efforts to obtain DMV Approval. Upon receipt of DMV Approval or upon written notice by Operator terminating this Management

Agreement, this Management Agreement shall automatically terminate and no longer be in force and effect without further action required by the Parties.

**3. Operation of Business.** As of the Effective Date, Dealer hereby appoints Operator as general manager of the Dealership. During the term of this Management Agreement, Operator shall operate the Dealership in accordance with the provisions of this Management Agreement, including but not limited to the following:

(a) Other than the sale of new motor vehicles, parts, accessories and other goods and merchandise in the ordinary course of business, including but not limited, to the sale of used motor vehicles of any make, Operator will not sell any material assets of the Dealership in existence at the commencement of the term of this Management Agreement.

(b) The business of the Dealership shall be operated and conducted by Operator in a businesslike manner and in compliance with all applicable laws.

(c) All business records of the Dealership which were delivered to Operator will be retained by Operator at the Dealership and Dealer or Dealer's designated representative will have reasonable access thereto as may be necessary during the term of the Management Agreement.

(d) Operator will keep and maintain business records of its operation of the Dealership in accordance with Operator's normal practices.

(e) Operator shall not execute on Dealer's behalf any contract, lease, document, purchase order or other binding instrument, which by its terms purports to impose any obligation on Dealer other than the sale of new and used motor vehicles, motor vehicle parts, accessories for motor vehicles and other goods and merchandise in the ordinary course of business.

(f) Operator is an independent contractor and nothing contained herein shall be deemed to create an employment relationship between Operator and Dealer other than Operator as independent contractor and Dealer as the purchaser of Operator's services. Under no circumstances shall Operator be deemed to be an employee of Dealer nor shall Operator and Dealer be construed as joint venturers or partners of each other and neither shall have the power to bind or obligate the other, except as specifically set forth in this Management Agreement.

(g) Operator shall operate the Dealership with Operator's own employees and Dealer shall not be responsible to provide Operator with any employees or other assistance. Operator shall staff the Dealership's operations with such persons as Operator may in its sole and complete discretion deem necessary to conduct the operations of the Dealership consistent with the terms of this Management Agreement. Any former employees of Dealer employed by Operator shall be the responsibility of Operator commencing with the date of employment by Operator. Operator shall hold Dealer harmless for any claims of Operator's

employees unless such claims are due to the acts or omissions of Dealer and/or for acts occurring prior to the Operator hiring the employee in which case such claims shall be the responsibility of Dealer and Dealer shall hold Operator harmless and indemnify Operator. Dealer's sole obligation with respect to employees is the payment of Dealer's current employee payroll through February 15, 2024. Operator shall bear all employee payroll expenses after February 15, 2024.

(h) From the Effective Date of this Management Agreement and on, all taxes, including but not limited to, vehicle inventory taxes, payroll taxes, income taxes, and sales taxes, resulting from Operator's operation of the Dealership, shall be collected by Operator and reported by Operator, with Operator paying all said taxes and obligations in a timely fashion. Nothing in this Management Agreement shall make Operator liable for any taxes incurred by Dealer before the Effective Date of this Management Agreement, which tax obligations remain the sole and exclusive responsibility of Dealer.

**4. Profits and Losses.**

(a) From the Effective Date of this Management Agreement and during the term of this Management Agreement, Operator shall be solely responsible for and shall pay all of the expenses and costs of operating the Dealership, including but not limited to rent, payroll, payroll taxes, utilities, advertising, insurance, interest and other charges, including flooring interest, to the same extent as though Operator was the owner of the Dealership.

(b) Operator shall defend, indemnify, and hold Dealer harmless from any and all claims, suits or actions arising out of Operator's operation of the Dealership during the term of this Management Agreement.

(c) During the term of this Management Agreement, Operator shall be entitled to receive and retain all profits and benefits from the operation of the business of the Dealership, including but not limited to motor vehicle sales, part sales, service performed, rebates and incentives, subject only to the cost of doing business, to the same extent as if Operator were the owner of the Dealership. Likewise, Operator shall bear any and all losses arising out of the operation of the business of the Dealership during the term of this Management Agreement.

**5. Insurance.** During the term of this Management Agreement, Operator shall provide all casualty and liability insurance with respect to the Dealership as of the Effective Date of this Management Agreement in such amounts as are consistent with Operator's normal business practices. Operator, Dealer, and the lessor for the premises where the Dealership is located (to the extent required by the lease with respect thereto) shall be named as loss payees or insureds, as appropriate, on all such insurance policies, obtained by Operator, and Operator shall provide Dealer with a Certificate of Insurance upon the written request of Dealer.

6. **Manufacturer.** The Parties recognize that REV Group, Inc., has not yet assigned a dealer number to the Operator with respect to the Dealership. Therefore, the Operator will continue to use the Dealer's dealer number and make proper adjustments when Operator is assigned a dealer number by REV Group, Inc.

7. **Attorneys' Fees.** Subject to Section 12, Enforcement, of this Management Agreement, in the event suit or action is brought by any of the Parties to this Management Agreement to enforce its terms, the prevailing party or parties will be entitled to attorneys' fees at trial, or hearing and on appeal, if any.
