

Item H-5

PUBLIC HEARING: Consider a resolution approving an amendment to the Future Land Use Plan from Low-Density Single Family (LD-SF) to Retail/Commercial (RTC), for approximately 3.52 acres, legally described as Tract 1D01B of the John Martin Survey, Abstract 1153 (account # 42818999), and a portion of Lot 7, Block 1, Pearson Crossing, and addressed as 1816 Johnson Road and 1908 Pearson Crossing. Ed Ruibal, Landscape Systems, Applicant/Owner; Don Dinger, Owner. (LUP-22-0001)

Zoned:
R

Item H-5

Background:

- Landscape Systems (Applicant) is a full-service landscape and gardening business that sells gardening related items, provides landscaping design services, and full installation for residential and commercial landscaping.
- In order to expand their business, the Applicant purchased almost 17 acres immediately north and east of their existing retail/commercial site at 1823 Keller Parkway.

Item H-5

FLUP Designations:

- The purchased property is primarily designated by the 2021 FLUP as Retail.
- However, there are about three and a half acres to the north and east that are designated Low Density-Single-Family (LD-SF).

Item H-5

FLUP Request:

The Applicant is requesting to amend this FLUP designation to Retail/ Commercial (RTC).

This designation would match the RTC designation for the large parcel immediately north of Landscape Systems and the Bowden Event Center.

Item H-5

FLUP Considerations:

Surrounding FLUP Designations:

North: Low-Density Single-Family (36,000 square-foot lots or greater) (LD-SF)

South: Retail/Commercial (RTC)

East: LD-SF

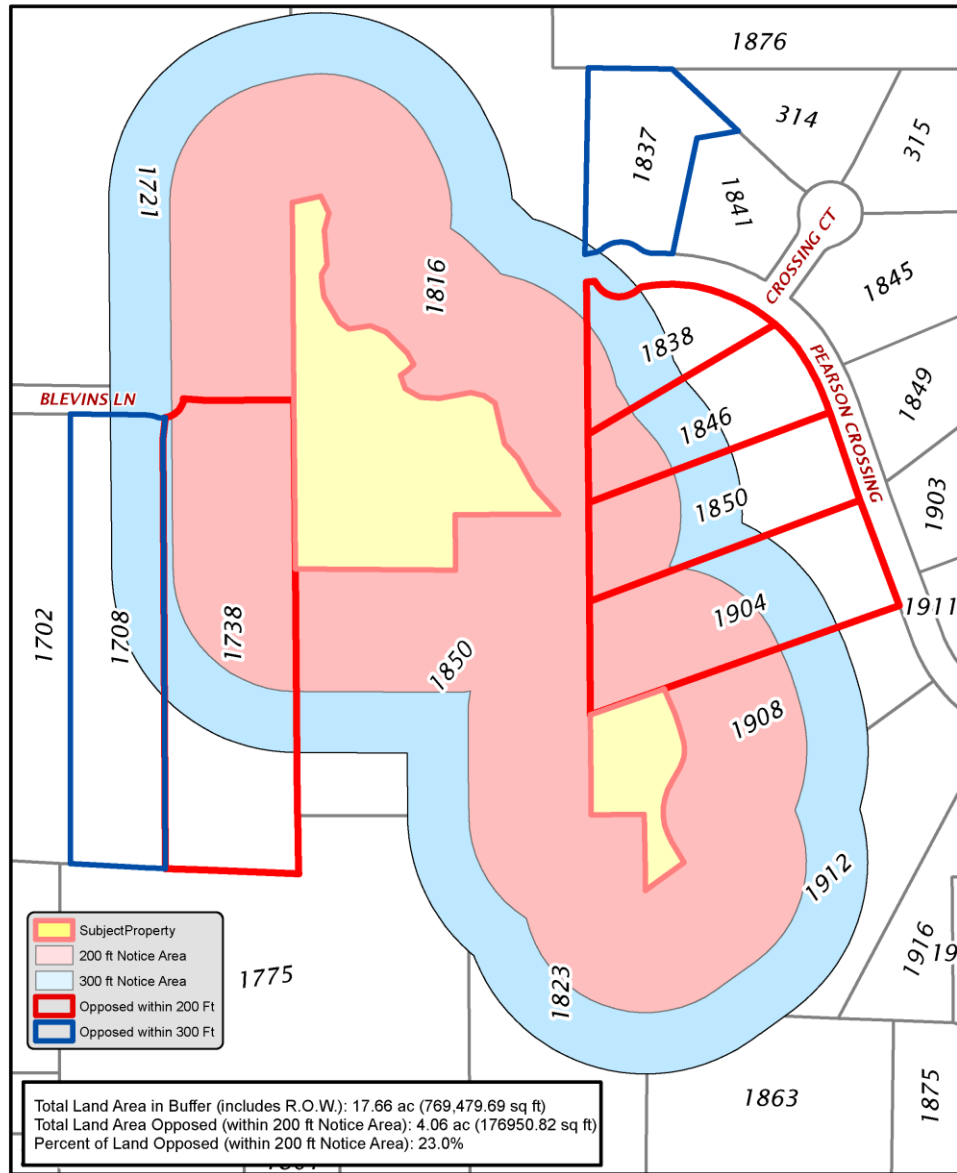

West: LD-SF

If FLUP (and future rezoning) requests are approved, the 17-acre parcel and the existing business will be replatted into one lot addressed to Keller Parkway.

Item H-5

- On June 16, 2022, the City mailed 15 Letters of Notification for this public hearing to all property owners within three-hundred feet (300') of the subject site. A public hearing notice sign was also posted on the site.
- As of today, staff has received five opposition letters from property owners that total 23% of the property located within the 200' buffer.
- Two additional letters came from property owners within the 300' buffer.
- Staff received three other letters came from property owners outside the 300' buffer.

LUP-22-0001

Updated: 7/19/2022

Item H-5

Planning & Zoning Commission Recommendation:

On June 28, 2022, the Planning and Zoning Commission unanimously recommended approval of the requested 2021 Future Land Use Plan amendment.

Item H-5

The City Council has the following options when considering a 2021 Future Land Use Plan amendment application:

- Approve as submitted
- Table the agenda item to a specific date with clarification of intent and purpose
- Deny
