Good Morning,

Just wanted to drop a quick note as a personal reference of being a customer of Fossil Creek Tree Farm. As I understand the need for growth, it saddens me to lose their convenient location on Blue Mound. What a HUGE asset this will be for Keller. Not only bringing education of gardening but their ability to bring families together to enjoy outdoors and learn about the environment & what God has created. Keller could not ask for a better company to choose Keller to relocate. No doubt many customers will follow for their unique experience with Fossil Creek.

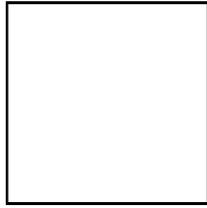

Tara & Josh lead with their hearts from God.

Thank you for listening to my note.

Respectfully,

Marci A. Cline
