Time: 1:30 PM Representing: City of Cedar Park

Contact was named as a reference by: Yoko Excavating, LLC

Who placed a bid on: Barbara Lane Trail Connection

Bid Date: January 24, 2023

---

1. Prior project by Contractor that Contract is familiar with:  
Brushy Creek Trail. 3-4 years
2. Project successfully completed?  
Yes
3. Problems?  
Some hand holding was needed. Was a federal funded project so the city had them replace some sidewalk that was not quite ADA compliant. Contractor came out and replace at their cost with no problems.
4. Other comments by Contact:  
Was a good experience. There were some change orders to add items and time.
