To: Lance Simmons, P.E., Chief Engineer

Through: Jessica Butler, P.E., Director of Engineering & Safety Operations 

From: Duane S. Milligan, P.E., Construction Division Director 

Subject: Recommendation to Reject Local Government Project, Tarrant County

Control: 0081-02-075
 Project: F 2022(850)
 Highway: CS
 Tarrant County

The above referenced project has been reviewed. The City of Keller and the Fort Worth District recommend rejecting all bids and re-letting the project. Three bids were received, the lowest bid was deemed non-responsive, and the lowest responsive bid exceeded the engineer's estimate by 94.5%. The city is unable to fund the overrun and has requested to reject all bids and re-let the project at a later date.

We request your concurrence in the rejecting the bids received for this project. If you have any questions, please call Duane S. Milligan, P.E., at 512/416-2501.
