Subject: SUP- 21-0019 - Barn @ 640 Bancroft

Matthew,

We are the neighbors to the south of 640 Bancroft, at 809 Bodega Bay Dr.

In addition to the properties to the west, we have the closest access to the property at 640 Bancroft. We likely have the closest and largest visual view of the Barn and the proposed updates.

The Slough family are excellent neighbors, are always cognizant of those around them. They have highly specialized filtration system to ensure their animals have the smallest impact on the community. The animals and the work the kids do with them are wonderful to have next door, and we thoroughly enjoy having them nearby.

The barn addition will hardly be noticeable and we fully support the approval of this change by Planning and Zoning and the city.
