RE: Request for Market Adjustment Effective September 1, 2022

Dear Mark:

In accordance with the agreement for citywide solid waste collection and recycling services, Community Waste Disposal (CWD) may request an annual market adjustment. This notice is to inform you of our request for a Market Adjustment effective September 01, 2022. As per the September 2020 contract, on page 23, Article 22. Remuneration, paragraph two we are limited to a 5% market adjustment unless we petition the city council for an amount greater. With CPI at 6.6% and fuel up 156.52% we wish to address the city council for an adjustment greater than 5%.

“Contractor shall provide documentation for requested increase, including the impact of CPI, fuel and disposal fees on contractor's operations in Keller. Annual increases must be limited to no more than 5% on the overall rate to the customer, unless contractor seeks and is given approval by a majority vote of the City Council.”

Enclosed is a schedule “A” reflecting the rates under the current prevailing market conditions. I have also enclosed a worksheet which recaps the changes CPI, fuel and disposal plus backup documentation for the changes in these 3 components.

Residential rate without Franchise Fee	Commercial rate with Franchise Fee
2020 Residential trash rate \$ 12.42	2020 One 8 yard once a week \$ 157.77
2022 Residential trash rate \$ 13.83	2022 One 8 yard once a week \$ 175.75
2020 Residential recycling rate \$ 2.59	2020 Haul on a 35-yard compactor \$ 680.84
2022 Residential recycling rate \$ 2.88	2022 Haul on a 35-yard compactor \$ 758.44

We would like to schedule a meeting with City Management/Staff to discuss CWD’s 2022 market adjustment request. Please contact Nicole at 972.375.4646 (cell) or 817.795.9300 x 2070 at your earliest convenience.

RE: 2022 Disposal Rates for Arlington Landfill

Dear Valued Customer,

This letter is to inform you of disposal rate changes at Arlington Landfill effective June 1, 2022.

We at Republic Services pride ourselves on providing our customers with a level of service that exceeds expectations - while maintaining competitive prices for those services. However, as a result of the continued escalation of costs related to regulatory fees, landfill construction, daily operations, and enhanced environmental protections required by local and state regulations, we need to adjust your current disposal rate.

Effective June 1, 2022, your rate(s) will increase. Your new rates are listed below:

Material	Current Price	New Rate
SW-SLUDGE-WWTP-MUNICIPAL	\$36.75	\$38.22

We thank you for your continued patronage and if you have any questions regarding this letter, feel free to contact me at 214-897-0016.

Sincerely,

Mitch Parga
