

LETTER OF SUPPORT

Re: Public Hearing Case No. LUP-21-0005 & Z-21-0005

I am writing to express my support for Case No. LUP-21-005 & Z-21-0005, and to encourage our Mayor and City Council to support and pass this Case.

Rezoning to SF-8.4 or SF-10 will permit the construction of single story homes as well as facilitate the best available backyard solutions for any new home being built in Highland Terrace.

Rezoning allows greater separation between Highland Terrace homes and those along Broadmoor Drive and Garden Lane. It also makes possible the preservation of trees that provide both shade and rear yard privacy that will certainly be lost if rezoning fails.

Respectfully,

I own 1716 Broadmoor Pk, Keller TX 76262,

My name is John VADALA, Signature *John VADALA*
