Dear P&Z committee and council members,

We are seeking to extend a specific use permit (SUP) granted to us in 2015 as indicated on the attached application and remove the time restriction. We have been operating at this location for 6.5 years. Kid to Kid has been well received by the community as demonstrated by consistently being among the top performing Kid to Kid franchised stores in the nation.

My wife and I are highly experienced multi-disciplined business professionals who have 16+ years' experience owning two successful Kid to Kid stores located in Keller and Bedford. It is our hope that our experience with this industry leading franchise concept and the stores' track record will help to ease concerns of the committee members and city council.

Kid to Kid pays cash on the spot for gently used children's goods. We do not accept donations as a part of our business; therefore, no designated areas are needed for these items to be left. Customers, who wish to sell to Kid to Kid, bring us their items during our posted business hours. We appraise its value, pay our customers, and make the items ready for sell anywhere within a few minutes to an hour of our customer arriving at the store. Our customers love Kid to Kid, and their children feel welcomed when they walk through our signature pink "kids only door".

In 2021, we estimate that nearly 50% of our customer base resides within the Keller city limits. Additionally, in our first 6.5 years of business in Keller we have generated over \$385,000 in local sales tax revenues from our business activities. This renewal will enable us to continue serving the community and contribute to the "Keep it in Keller" economic campaign.

In addition to the renewal above, we are asking to be granted the use of 112.5 sq/ft of external space to display outdoor merchandise (strollers, ride-on toys, bicycles) during business hours. Our business operates Monday through Saturday from 9am-7pm. We are also open on Sundays from 1pm-6pm. Please find the attached photographs outlining the area to be used. This merchandise would be moved outside upon opening for business for the day and returned inside at closing.

I invite each member to visit either of my stores or any of the 16 D/FW Kid to Kid stores to get a personal feel for how robust our franchise is.

Sincerely,

Darren S Aper
