RE: SUP-24-0012

Dear Sarah:

As majority owner and managing partner of Keller 1240 Partners, LLC, the ownership entity of the Frost Bank Professional Building, please accept this letter as our support of Drs. Jonathan and Alexandra Marcotte's application for the above referenced Specific Use Permit for Sacred Ground Therapy in our building. We appreciate the Marcotte's decision to bring their business to Keller and respectfully request City of Keller approval of their SUP application.

Sincerely,
