Terms & Conditions

Payment Terms: The balance is due thirty days (n/30) from the date of the order shipment from the manufacturer or delivery to the jobsite - whichever comes first. All invoices, without exception, will be paid in full per agreed upon payment terms. Payment invoices will not be subject to project retention and/or pay-out schedule arrangements. Any other payment arrangements will need to be confirmed in writing and agreed upon by all parties involved. Interest: If payment is not received per the defined payment terms, an 18% APR will be accessed and collected on past due invoices. Freight: FOB shipping point, freight prepaid and added to the invoice. Freight estimate noted above (as available). Actual freight charges will apply. Sales Tax: Unless exempt (sales tax exempt documentation provided), the order will be subject to collect sales tax as applicable. Notes: Pricing is valid sixty (60) days from the date of the quote unless noted or otherwise
