Item G-2

Summary of Code Amendments:

- Authorizes the city's Building Official, Fire Marshal, and Code Compliance Officers to enforce the Substandard Buildings Code.
- Creates a Building and Standards Commission (the same members as the Zoning Board of Adjustment) to hear and determine cases related to violations of the proposed ordinance.
- Provides detailed minimum standards for the use and occupancy of structures in the City of Keller. The minimum standards are intended to be used by the Building Official, Fire Marshal, and Code Enforcement Officers to determine if a building is substandard and a potential hazard to the public health, safety, and welfare.
- Establishes notice and public hearing procedures for the Building and Standards Commission to follow after the Building Official or Fire Marshal has found a building to be substandard. Rulings by the Commission are appealable to District Court.
