City of Keller
1100 Bear Creek Parkway
Keller, TX 76248

Dear Planning and Zoning,

I am a small business owner and longtime resident of Keller. I'm raising my family here and actively involved in the community. The City of Keller would be a great place to move our growing business. Penguin Patch helps schools and serves kids. We are committed to our youth, to our community and our employees. Empowering kids through the act of giving is what shapes the direction of our company. For more than 15 years, Special Education High schoolers from KISD have worked onsite to develop job skills that can benefit them after graduation.

We value a family work environment with Friday's off in the summer, the entire week of 4th of July off and we also close the 2 weeks at the end of the year, so our employees can have a good work/life balance. Typically, we have around 40 employees, and during our peak season we add another 30 to our team. Penguin Patch has been in business for 30 years and does not sell directly to the public. Our business operations are a Business to Government (or school) program whereby we mainly have two functions. 1.) We operate a call center to sell and offer customer service to our schools that sign up for our program. 2.) We also manufacture, warehouse, and package products.

Penguin Patch design work is performed in-house, with graphic artists where necessary, and we negotiate with factories for the manufacture of base items. We contract some manufactured products from overseas and the USA. Using numerous contract manufacturers, we create a 'Holiday Shop Kit' of approximately 100 different items, and we package those items into Kits based upon the enrollment and expected sales volume of the elementary school. Given the size of our business we sell, up to 10 different versions of Kits for the Holiday Season depending on the year.

Our team receives the goods (from USA and Abroad), performs quality assurance, remediations work when required, assembles the kits of 100 items, packages the kits of saleable items into specific boxes per kit, adds sales materials (e.g., custom aprons, how to run a holiday shop), provides cash registers (where required), provides sales materials (e.g., tablecloths, shopping bags), and ships the entirety to Schools (our customers).

Normal operating hours are Monday – Friday, from 8am-5pm. During December, our peak season, our hours are 8am-8pm. We have inbound deliveries a handful of times per year and our daily outbound deliveries are mainly standard delivery box trucks. At the end of the year, for a few weeks, we will have a small UPS trailer on site, that is swapped out daily.

We look forward to bringing more job opportunities and making Keller look beautiful with our state of the art building. Thank you for your consideration.

Thank you,

Jennifer Randklev
