SECTION 1. FINDINGS.

(a) The recitals, findings, and determinations contained in the preamble to this Ordinance are incorporated into the body of this Ordinance as if fully set forth in this Section and are hereby found and declared to be true and correct legislative findings and are adopted as part of this Ordinance for all purposes.

(b) The City Council finds that the **PUBLIC IMPROVEMENTS** will significantly enhance the value of all the taxable real property in the zone and will be of general benefit to the City.

(c) The City Council finds that the proposed zone meets the requirements of Section 311.005(a)(1) of the Act in that:

- (i) there is a need for essential public infrastructure and economic development programs to attract new business and commercial activity to the proposed zone for the purposes of increasing the real property tax base for all taxing units within the zone, increasing sales and use taxes for the City and the State of Texas, and increasing job opportunities for residents of the City and the region; and
- (ii) the reinvestment zone, as shown in **Exhibit A**, meets the criteria for the creation of a reinvestment zone set forth in Section 311.005 of the Act in that the area substantially arrests or impairs the sound growth of the City, retard the provision of housing accommodations, or constitute an economic or social liability and be a menace to the public health, safety, morals or welfare in its present condition and use because of the presence of:
 - 1. A substantial number of substandard, slum, deteriorated, or deteriorating structures;
 - 2. The predominance of defective or inadequate sidewalk or street layout;
 - 3. Faulty lot layout in relation to site, adequacy, accessibility or usefulness; or
 - 4. The deterioration of site or other improvements.
- (iii) these factors substantially impair and arrest the sound growth of the City.

(d) The City Council finds that the proposed zone is a geographic area 100% within the City's corporate limits.

(e) The City Council finds that not more than thirty percent (30%) of the property in the proposed zone, excluding property that is publicly owned, is used for residential purposes, and the total appraised value of taxable real property in the proposed zone does not exceed fifty percent (50%) of the total appraised value of taxable real property in the City and in the industrial districts created by the City.

(f) The City Council finds that the development or redevelopment of the property in the proposed zone will not occur solely through private investment in the reasonably foreseeable future.

(g) The City Council finds that the Preliminary Project and Finance Plan is feasible.

(h) The City Council finds that the implementation of the Project and Finance Plan (as defined below) will alleviate the conditions described in Section 1(c) above and will serve a public purpose.

SECTION 2. DESIGNATION AND NAME OF THE ZONE.
