## Background:

Highland Terrace Mobile Home Park was platted in 1970 and annexed into Keller in the late 1980s.

The city zoned the subdivision at the time of annexation as Single-Family 36,000 square-foot lots (SF-36).

Variances identical to those requested by the Applicant have been approved by the City Council for 24 other lots in the same subdivision.

## Items I-4 and I-5

### Variances Requested:

1. Decrease the minimum front yard setback from 35 feet to 25 feet.
2. Decrease the Minimum Dwelling Size to 2,000 square feet in lieu of the 2,400-square-foot requirement. (A minimum dwelling size of 2,000 square feet is equal to the SF-15 zoning district.)
3. Increase the main building lot coverage to 35% in lieu of the 30% requirement in the SF-36 zoning district. (Thirty-five percent (35%) is permitted in the SF-8.4 through the SF-15 zoning districts.)
4. Increase the maximum lot coverage to 55 percent in lieu of the 50 percent requirement of all UDC residential zoning districts. (The 50% lot coverage requirement, including accessory buildings, driveways and parking areas is uniform throughout the UDC.)
