

## MEMORANDUM

No: B-2

Date: February 13, 2024

To: Capital Improvements Advisory Committee From: Alonzo Liñán, Director of Public Works

Subject: Biannual Impact Fee Report as of March 31, 2023 (Part B)

This is the first report under the 2021 Impact Fee Program. The 2021 Impact Fee Program was adopted on Oct 18, 2022 (effective Nov 18, 2022). As a result, this report represents only the 4 months of service unit growth and collections between Nov 18, 2022 and March 31, 2023.

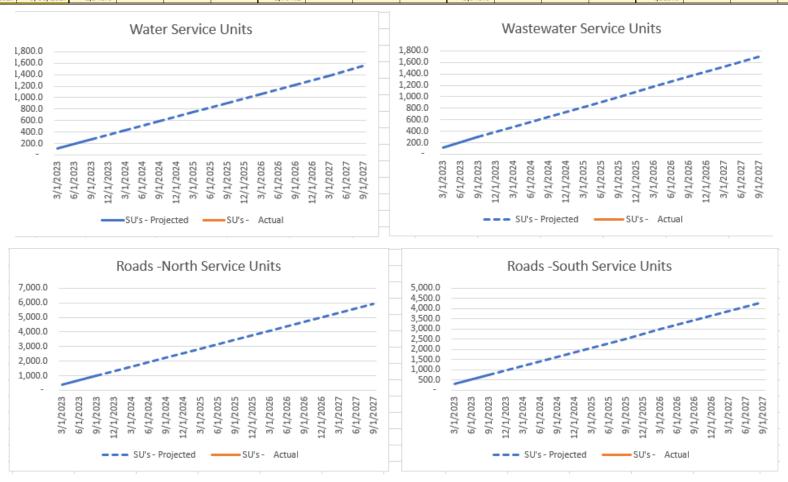

It is staff's opinion that the impact fee collection from November 18, 2022 through March 31, 2023 is in accordance with adopted collection rates and all fees collected have been appropriately applied to qualifying capital improvements. An index of the qualifying projects, the Impact Fee CIP maps and the transaction receipts can be found in the appendix.
