Keller Texas Fire Department

To whom it may concern,

Thank you for your interest in TNT Rescue Systems, Inc. TNT sells its products through a dealer network, where each representative is contracted for a specific region.

In the State of Texas and New Mexico, Advanced Rescue Systems is the only contracted and authorized representative, dealer and service provider; thereby making Advanced Rescue Systems your sole source for TNT sales, products, parts, service and warranty.

Advanced Rescue Systems is the Only TNT Factory Authorized Sales and Service Center for the Southern United States. No other outside Vendor, Dealer, or Service Provider of Any other products have any Certification or Authorization to provide any type of Service, Repairs or Sales to any TNT Rescue Systems Inc. products in any manner.

Again, thank you for your interest in our products. We look forward to a mutually beneficial relationship.

Sincerely,

Tom Blanton  
President
