26. MATERIAL SAFETY DATA SHEETS (MSDS)

If required, BID shall include a MSDS for each product quoted, if applicable.

27. **ORDERS AND PAYMENT TERMS**

- A. All BIDs shall specify terms and conditions of payment, which will be considered as part of, but not solely control, the award of BID. City review, inspection, and processing procedures ordinarily require thirty (30) days after receipt of invoice, products and/or services. BIDs which call for payment before 30 days from receipt of invoice, or cash discounts given on such payment, will be considered only if, in the opinion of the City, the review, inspection, and processing procedures can be completed as to the specific purchases within the specified time frame. Orders will be placed by authorized City personnel, and those orders exceeding two thousand dollars (\$2,000.00) must be provided a Purchase Order Number to be valid. The Purchase Order number shall appear on all itemized invoices and packing slips. The City will not be responsible for any orders placed and/or delivered without a valid, current Purchase Order.
- B. Payment(s) to Contractor will be made after satisfactory receipt of the product and/or services, as determined by the City, and receipt of invoice or other billing statement used by the Contractor. No payments will be made in advance of receipt of products and/or services, unless specified otherwise in the contract. It is the intention of the City to make payment on completed orders within thirty (30) days of receiving invoicing unless unusual circumstances arise. Prices quoted shall include all charges, including delivery, labor, equipment, and set-up fees. Likewise, invoices shall be fully documented as to labor, materials, equipment provided, set-up fees, and taxes (if applicable). Invoices are to be submitted to the following address:

In accordance with Local Government Code 252.049 trade secrets and confidential information in competitive sealed bids are not open for public inspection.

After BID opening, except for BID amounts, names, and addresses of contractors, all other BID documents and information will be deemed confidential during the evaluation process until formal action to award the BID or reject all BIDs has been taken by the City Council. Following award of the BID or rejection of all BIDs by the City Council, all BIDs shall then become public documents, available for public view upon written request. Interested contractors, citizens, or City officials may then request copies of BIDs. Upon written request, bid documents may be obtained at an appropriate document reproduction fee.

33. **CONTACTS WITH CITY EMPLOYEES AND OFFICERS**

In order to ensure fair and objective evaluation of BIDs, all questions related to this BID should be addressed only to the person(s) so named herein or in the BID Specifications. Contact with any other City employee, or any appointed or elected official without prior written consent of the person(s) so named herein is expressly prohibited. Contractors directly contacting other City employees or any appointed or elected officials without prior written consent will risk elimination of the BID from further consideration.

39. SALES TAXES

The City is exempt from most state and local sales taxes by state law. Therefore, the City does not possess a "tax exempt number." The City will provide a sales tax exemption certificate to the vendor upon request.

The total for each BID submitted must include any applicable taxes. It is suggested that taxes, if any, be separately identified, itemized, and stated on each BID. The City cannot determine for the bidder whether or not the item(s) requested in the BID are taxable to the City. The bidder, through the bidder’s attorney or tax consultant, must make such determination. Bills submitted for taxes after the BIDs are awarded will not be honored.

40. TAXES, PERMITS, LICENSES

Upon written notification, the contractor shall provide notarized copies of all valid licenses, permits and certificates required for performance of the work. The bidder may be asked to provide products/services, based upon the BID price, to any other governmental entity. Bidder/vendor acknowledges that other governmental entities are eligible, but not obligated, to purchase products/services under this contract. Any and all purchases by governmental entities other than the City of Keller will be billed directly, and shall not be considered in any way an obligation of the City of Keller. As such, other governmental agencies will order their own products/services from the contractor as needed.

Should other governmental entities decide to participate in this contract, please indicate whether you, as bidder/vendor, agree that all terms, conditions, specifications, and pricing would apply.

43. **BRAND NAMES**

If items for which BIDs have been called for have been identified by a “brand name or equal” description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality characteristics of products that will be satisfactory. BIDs offering “equal” products will be considered for award if such products are clearly identified in the BIDs and are determined by the City to be equal in all material respects to the brand name products referenced. **Unless the bidder clearly indicates in their BID that they are offering an “equal product”, their BID shall be considered as offering a brand name product referenced herein or in the BID specifications.**

44. **CONTRACT CLAUSE**

All bidders understand and agree that the bidder’s response to this BID invitation will become a legally binding contract upon acceptance in writing by the City. This contract may be superceded or amended only if replaced with a more extensive contract that is agreed to by both parties.

The City may, at its discretion, require a separate contract accompanying this bid.

45. **CONTRACT ADMINISTRATION**

Under this contract, the City of Keller will appoint the City Manager or his/her designee as contract administrator with the designated responsibility to ensure compliance with performance of contract requirements. Such responsibilities will include, but will not be limited to, the inspection and acceptance of all products/services to be provided under this contract. **If an area is found to be unsuitable or incomplete in the service required by this contract, the CONTRACTOR will be called back without additional charge to the City.** Bidder will furnish written plan of action as to how and when correction of discrepancies will be accomplished in order to eliminate complaints. Bidder shall not handle any complaints or request from citizens. Any citizens’ concerns should be directed to the City Manager, his designee, or the appropriate City Department.

46. **FAILURE TO ENFORCE**

Failure by the City of Keller at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Except as otherwise specified in this contract, the contractor and his subcontractors of any tier will be required at their own expense, to maintain in effect at all times during the performance of the work, insurance coverage with limits not less than those set forth below, with insurers and under forms of policies satisfactory to the City of Keller. It shall be the responsibility of the contractor and subcontractors to maintain adequate insurance coverage and to assure that all subcontractors are adequately insured at all times. Failure of the contractor and his subcontractors to maintain adequate coverage shall not relieve him of any contractual responsibility or obligation. Deductibles, of any type, are the responsibility of the vendor/contractor.

50. **CERTIFICATES OF INSURANCE**

At the time of the execution of this contract and each subcontract, but in any event, prior to commencing work at the job site, the contractor and his subcontractors shall furnish the City with certificates of insurance with an Endorsement naming the City of Keller as additional insured as evidence that the policies providing the required coverage and limits of insurance are in full force and effect. 62. CONFLICT OF INTEREST QUESTIONNAIRE

Please complete the attached questionnaire and return with the bid specifications. Additional information regarding this requirement may be obtained at www.ethics.state.tx.us.

H.B. 914 changed Section 176.006 to read as follows: “(a) A person described by Section 176.002(a) shall file a completed conflict of interest questionnaire if the person has a business relationship with a local governmental entity and: (1) has an employment or

63. CERTIFICATE OF INTERESTED PARTIES (FORM 1295)

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission’s website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015 to implement the law.

Filing Process:

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be returned with this BID documentation.

Information regarding how to use the filing application is available at <https://www.ethics.state.tx.us/tec/1295-Info.htm>. Please follow instructional Video for Business Entities.
