Tarrant County

The above referenced project has been reviewed. The City of Keller and the Fort Worth District recommend rejecting all bids submitted for this project. The letting of this project was not published in a local newspaper by mistake of the newspaper in not running the advertisement on the requested dates. TxDOT's local government projects office concurs with this decision.

There were no add/delete alternates for this project. The city plans to re-let the project in a near future.

Based on the above, we recommend concurrence in rejecting the bids received for this project. If you have any questions, please call Juan F. Urrutia, P.E., at 512-416-2455.

Concur with Recommendation.
