Proposed Use of Property: Lash studio and retail of lash product

We would like to open a lash studio and sell aftercare products and lash products. I strongly believe this type of store will bring old town Keller to new level. We ar planning on doing an elegant concept of a lash studio but that will bring young and older customers. I'm an experience lash stylist that have customers from

During the last few weeks, we spend time talking to people around Old town about the type of business needed around, and we learn a lot; The people around Keller likes to have their needs covered right there, where they like to eat and hangout. The lash studio offers a great opportunity to bring the good people more often. Most of the people we had talk to, feel the need to have this services in old town. They were very excited to hear the possibility of opening a lash studio in OTK.
