Keller Pedestrian Facilities Master Plan Project Overview

2 Parts: ADA Transition Plan & School Pedestrian Route Plan

- Update of the City's Americans with Disabilities Act (ADA) Transition Plan
 - Evaluation of existing pedestrian facilities
 - Inventory of compliance needs
 - Includes public outreach, an implementation schedule and progress tracker
- Develop a School Pedestrian Route Plan
 - Identify primary walking routes to each of the eleven KISD schools
 - Evaluate pedestrian access to each of the eleven KISD schools
 - Develop an implementation of projects and estimated costs

ADA Transition Plan

The Americans with Disabilities Act (ADA) became law on July 26, 1990

Applies to agencies with >50 employees (entire agency)

Requires public input

Content

List of the physical barriers to the access of programs, activities, or services

Methods to remove the barriers

A schedule to get the work completed (with costs)

Specific responsible person(s) for the plan's implementation

Track status and record completion dates

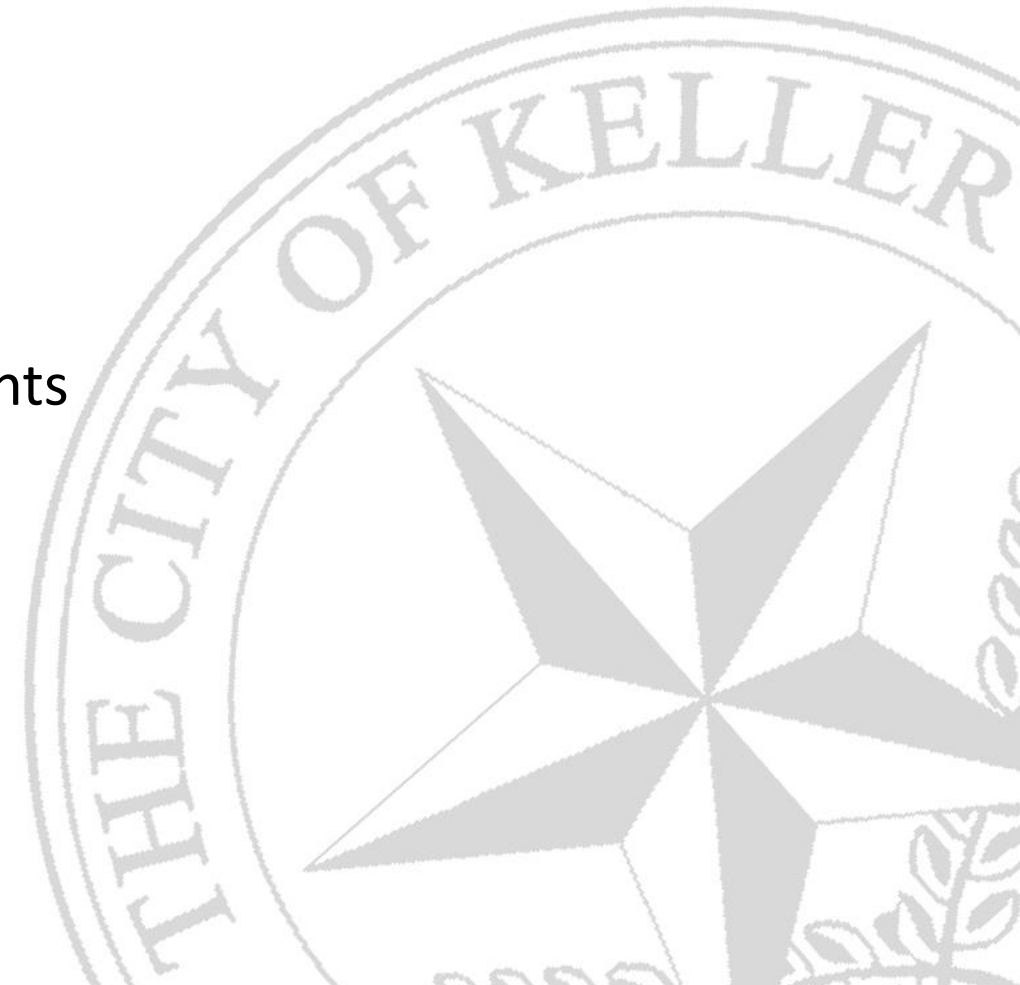

Impacts of an ADA Transition Plan

Future Grant Eligibility

- Stipulation of grant applications
- Required for fund allocation

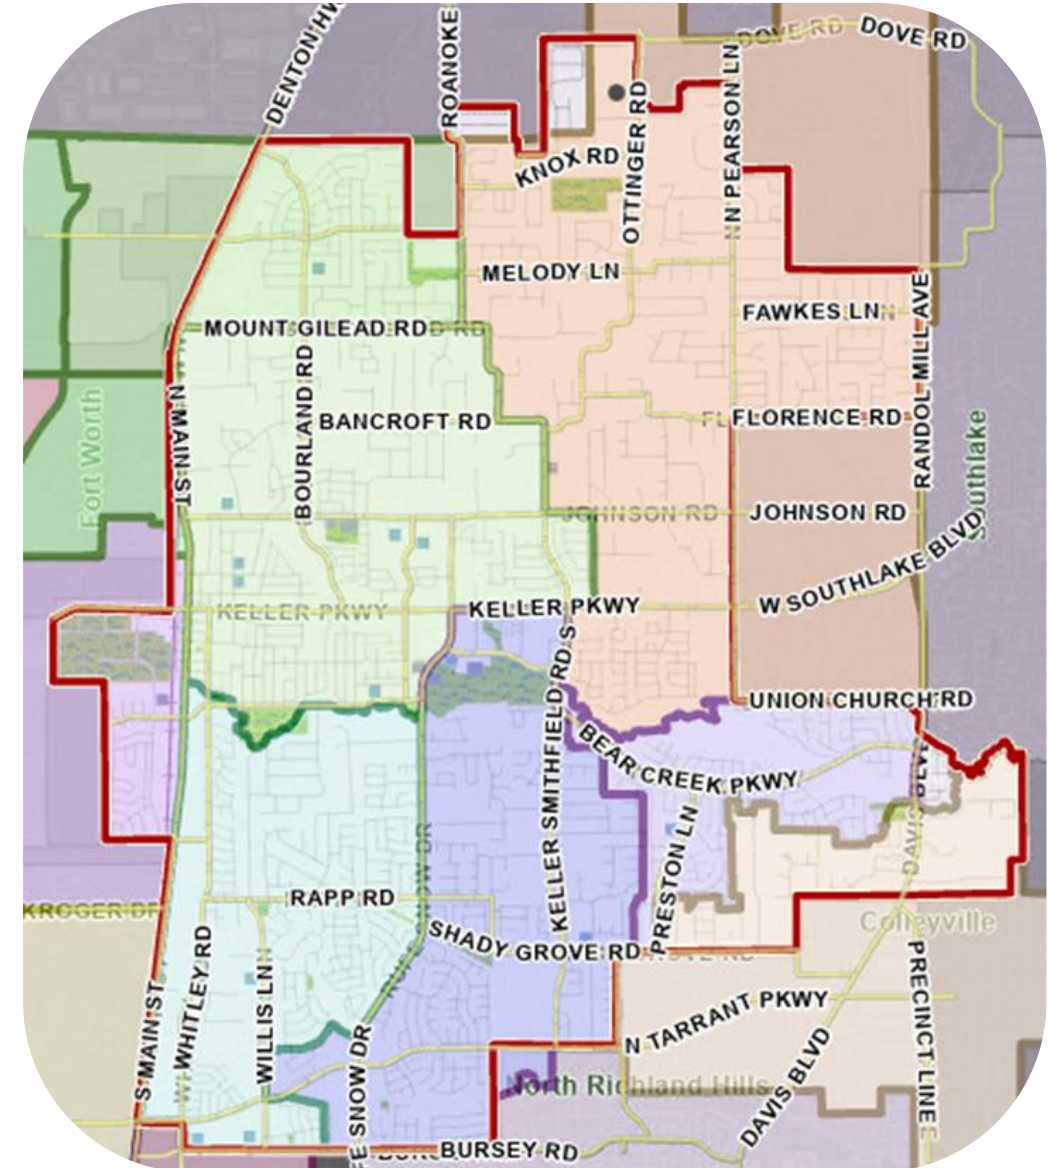

Federal / State Compliance

- Required of all of Federal or State fund recipients
- ADA Compliance Progress Reports

Keller Pedestrian Facilities Master Plan Deliverables

- Project Management & Coordination
- Public Involvement
- Discovery/Field Inventory
- ADA Transition Plan
- Safe Routes to School Plan
- Deficiency Identification
- Prioritization Plan with Costs
