

To whom it may concern:

Community-Focused Indoor Playground Initiative

I aim to serve the community by offering a valuable service for local families. My plan is to launch an indoor playground facility at 8849 Davis Blvd, Suite 200. This use aligns well with the surrounding area, as it provides a space for families to create joyful memories. The facility will operate from ****Monday to Sunday****, with hours set from ****8 AM to 11 PM****. Our indoor playground will feature a variety of play structures and interactive zones designed to engage children of all ages in physical activity and imaginative play. Safety is our top priority, and all equipment adheres to ASTM and CPSC standards, ensuring peace of mind for parents and caregivers.

In addition to the play areas, the facility will offer comfortable seating for parents, free Wi-Fi and eventually we plan to launch a café with healthy snack options. We plan to host community events, birthday parties, social gatherings and educational workshops to further enrich the community.

Our mission is not just to provide entertainment but to foster a sense of community where families can connect, share experiences, and support one another. We are committed to creating an inclusive environment that welcomes everyone, celebrating diversity and promoting a healthy lifestyle.

We sincerely appreciate your consideration and support throughout our incredible journey in this great city!

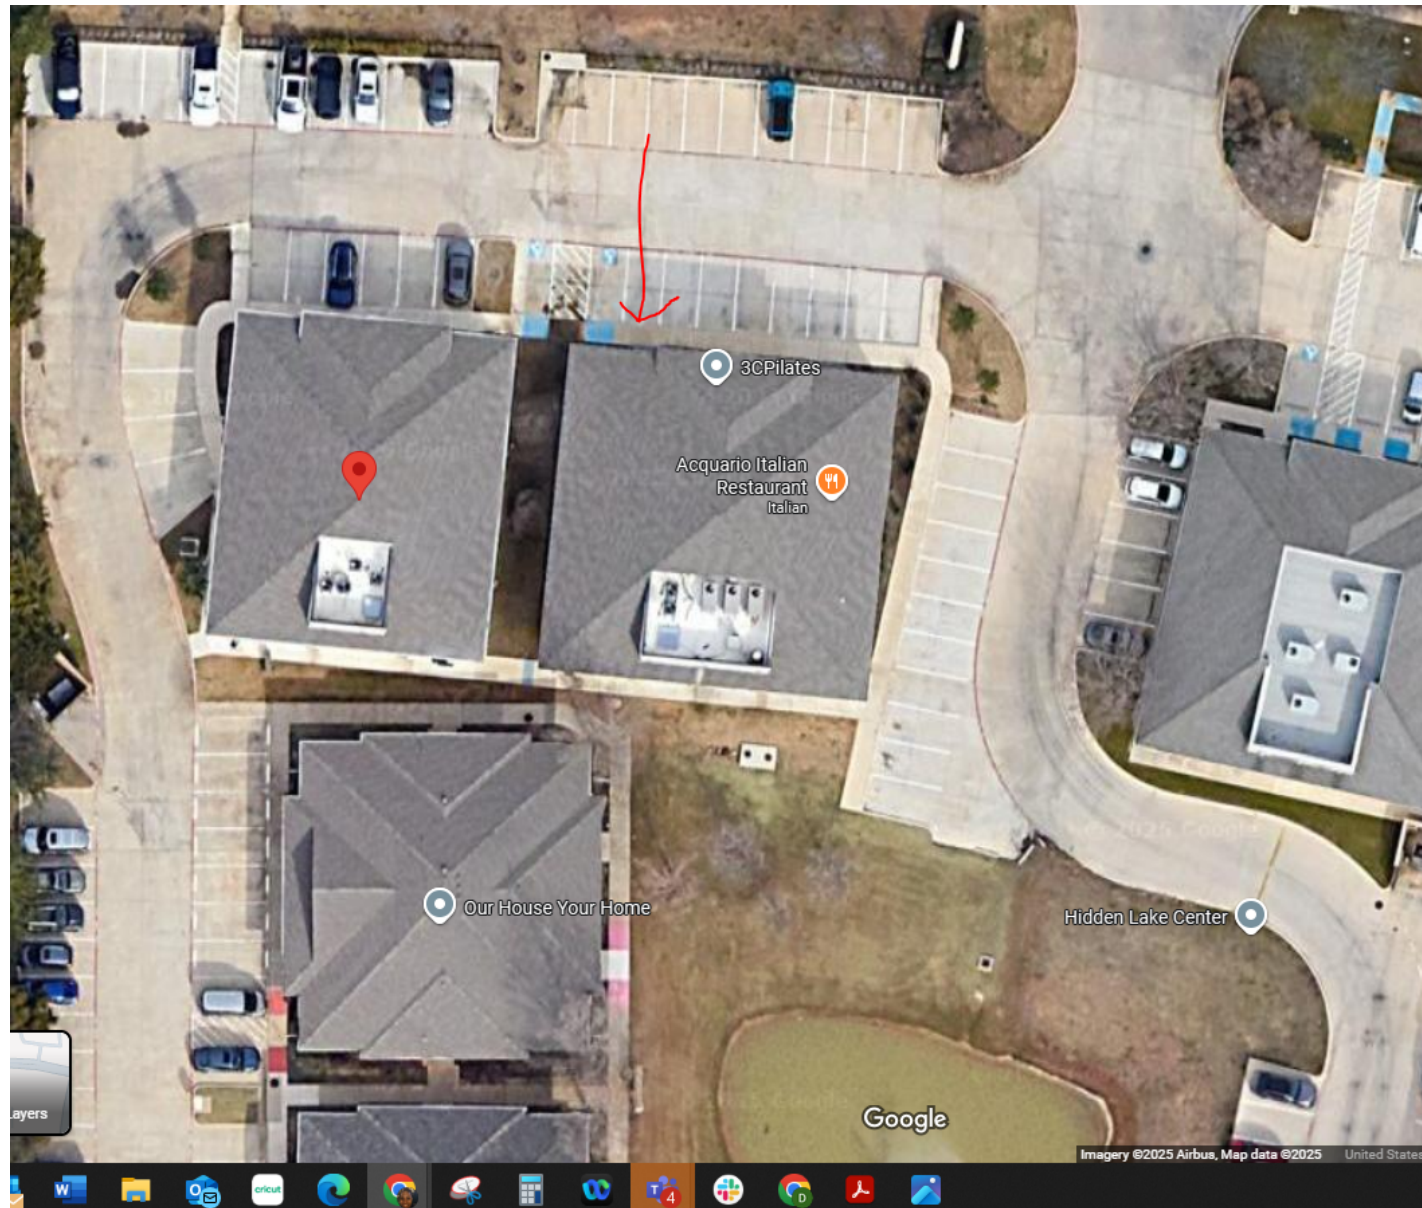

Thank you,

Debra Porter
