

April 12, 2017

To whom it may concern:

Please accept this letter as our desire to build a detached RV garage (approx. 2100 sf) for the use of storing recreational vehicles, yard equipment and trailers to protect them from the outdoor elements. This garage will match the main house in structure, siding and roofing and does not face the street. This building will not hinder any neighbors' view as we have a total of 3.8 acres and will be built with the utmost consideration for our immediate neighbors as well.

This building will have a car lift on one side so we need to have a higher roof line to accommodate this.

If you should have any questions or comments, please don't hesitate to ask us.

Thank you,

Marshall & Lynette Kovalik
1150 Randol Mill Avenue
Keller, TX 76262
