Poll: Andy's Frozen Custard in Keller?

Public Information Officer Rachel Reynolds from City of Keller · 29 Aug

Hey neighbors! We've decided to test out something new to get your opinions on upcoming commercial development proposals coming before the Keller City Council. The results of this poll will be included in the City Council's packet along with other more traditional feedback they receive from citizens such as emails and letters. As always, you're also welcome to share comments directly with City Council at mayorandcouncil@cityofkeller.com.

Andy's Frozen Custard (www.eatandys.com) is seeking City Council approval to open a drive-thru storefront at 951 Keller Parkway, on the north side of the street just west of Raising Cane's. The Planning & Zoning Commission recommended approval at their meeting Monday night. What do you think?
