**RE: Request for a variance to a fence permit by Ross & Maryann Adams,
1511 Lakeview Drive, Keller, TX 76248**

I support and have no objection to the request by Ross and Maryann Adams to receive a variance to their fence permit from the City of Keller which would allow the smooth side of their fence to face in toward their home. This portion of fence is along the alleyway behind or next to our/my house.
