To the City of Keller-

Renewed Strength Chiropractic is a family practice focused on bringing health and wellness to their patients. Dr. Natalie Moore, DC and Dr. Aubrey Tom, ND desire to establish their practices at 118 W Olive Street in order to offer their services to the families of Keller and to help benefit the surrounding Old Town Keller district. Their business aims to help uplift the community and be an active partner in helping those around them as a way of giving back.

Small businesses have the potential to be a positive impact on the community and Renewed Strength Chiropractic is ready to do their part in Old Town Keller. By attracting young families to the area, Renewed Strength Chiropractic will be a positive influence on the surrounding businesses by increasing foot traffic and visibility.
