SURVEYOR'S NOTES:

This survey was performed without the benefit of a commitment for title insurance and there may be easements, agreements, or other documents, either recorded, or unrecorded may exist that affect the subject property that are not shown on this survey.

PLAT NOTES:

- Selling a portion of any lot within this addition by metes and bounds is a violation of state law and city ordinance and is subject to fines and withholding of utilities and building permits.
- The Drainage Easement shown hereon is dedicated to the City for storm water runoff control. Those drainage easements covering areas to be left in a natural state will be the property owner's responsibility to keep unobstructed and maintained, including erosion control. Property owners shall keep these natural drainage ways on their property moved, clean, and free of debris, silt, or other substances which would result in unsanitary conditions. The city of Keller shall have the right to enter all drainage easements areas for the purpose of inspecting the drainage ways for conformation of condition of the drainage way with respect to maintenance and erosion control. The City of Keller will be responsible for maintenance and operation of all improvements which are installed in drainage easement areas once the improvements are accepted by the City. The open channel areas left in the natural state are occasionally subject to storm water overflow and bank erosion that can not be predetermined. The City of Keller shall not be liable for any damages resulting from the occurrences of this overflow and erosion. No construction, modifications, or fencing will be allowed in the drainage easement without the written approval of the City of Keller's Director of Public Works.
- Private Utility Easement - water & sanitary sewer located within this easement is to be owned and maintained by the property owner.
- Waterline Easement - no water meters or private service connections are allowed on the fire hydrant lead, unless an automatic flush valve is installed by owner per city details.
- All setbacks shall be in accordance with the zoning district, as described in the Keller Unified Development Code.
- According to the Zoning Map of the City of Keller, subject tract lies on Town Center Zoning Area (TC).
