RE: SUP
RapidCare
601 S. Main Street, STE #110
Keller, TX 76248

To Whom It May Concern:

RapidCare aspires to be Keller's first occupational medicine focused clinic. We are applying for a Special Use Permit. We ask for approval from The Planning and Zoning Commission as well as City Council to proceed.

RapidCare is an occupational focused clinic that plans to serve employees and employers alike in the greater Keller community. This includes, but is not limited to, employer based services like physicals and drug screening as well as comprehensive workers compensation care. These services require extra levels of communication with both the patient and the employer. Our dedicated team of medical providers is focused on these needs.

RapidCare is currently working with companies like the Northwest ISD busing company, MV Transit, construction companies and trucking companies around the metroplex. Dr. Mike Smith, a veteran and local Keller resident, has worked in this specific medical practice for over six years, and is looking to bring his expertise to the Keller community.

Our team aspires to use its specialized skills to serve both the City of Keller and Keller ISD in the future.

Physician Name: Michael Smith, M.D.
Clinic Name: RapidCare
