Dear City of Keller Planning and  
Zoning Commission:

This is in regard to SUP-19-0005  
We the homeowners located at  
1701 Willis Lane in Keller, are  
against the building of a second  
house on the property at 1660 Willis  
Lane.

We bought our property because  
we liked the openness in this area.  
It is fast becoming filled up with  
new building. As we are directly across  
the street from this proposed construction, we  
are especially concerned because it  
will obstruct the view from the front  
of our house.

Sincerely,

Donald J. Olday
