

# Assessory Building Proposal

## 1660 Willis Lane

The Residents of 1660 Willis Lane are requesting the approval of a Specific Use Permit to build a Guest House on the existing property adjacent to the House and not visible from the street. It was requested that preliminary support for this project be garnered from the neighbors within 300 ft. of the residence. Below are the signatures and addresses of those owners.

| Residential Address                     | Signature of homeowner                                                               | Date     |
