### NARATIVE STATEMENT:

**CURRENT & PROPOSED ZONING USE:** Currently 1016 N Pearson, Keller, Texas, being known as Lot 6A is zoned SF-36. In order to plat this tract as 2 Lots, the zoning designation SF-20 will make Lot 2, Block A, Maguire Estates (preliminary plat) more compatible with the Unified Development Code.

**NEED FOR PROPOSED ZONING CHANGE:** A zoning change from SF-36 to SF-20 will modernize and bring Lot 2, Block A, Maguire Estates (see plat) closer to compliance with the Unified Development Code.

**COMPATABILITY OF PROPOSED ZONING WITH SURROUNDING ZONING AND USES:** Most properties in this vicinity are zoned with the blanket SF-36 designation. These are properties that have not been platted and have not had to apply for modern zoning standards. Adjacent properties to the East of N Pearson Lane are zoned SF-20.

**CONSISTENT WITH THE CITY OF KELLER MASTER PLAN:** In an effort to bring Tract 6A into a status more consistent with the Unified Development Code, an attempt to plat Tract 6A into 2 individual lots is being pursued. An aspect of the plat process is a dedication of Right of Way for road improvement along N. Pearson Lane (N/S) and Florence Road (E/W). This dedication to the City of Keller makes a portion of the Thoroughfare Plan, a reality.

**USES PERMITTED BY THE PROPOSED ZONING CHANGE CONSISTENT WITH THE GENERAL AREA:** The zoning change request has no effect on the vicinity where the request is being made. A single family home has existed at this location since 1970. The zoning change request is required by the City of Keller to get the property at 1016 N. Pearson Lane more in compliance with the Development Code.

**ZONING CHANGE IS IN ACCORDANCE WITH PROPOSED PLANS FOR PROVIDING STREETS, WATER SUPPLY, SANITARY SEWER, AND OTHER UTILITIES:** Currently all the necessary infrastructure in the immediate vicinity is in place and functioning. However, the

Thoroughfare Plan will benefit from the proposed, dedicated Right of Ways for street improvement.

**AMOUNT OF VACANT LAND CURRENTLY CLASSIFIED FOR SIMILAR DEVELOPMENT IN THE VICINITY AND ELSE WHERE IN THE CITY AND SPECIAL CIRCUMSTANCES WHICH MAY MAKE A SUBSTANTIAL PART OF SUCH VACCANT LAND UNAVAILABLE FOR DEVELOPMENT:** With the current level of knowledge in regards to the surveying and platting of Tract 6A, our ability to make an assessment of such activity without access to each and every planned development and rezoning project in process in the City of Keller, it is impossible to make an assessment or comment of any relevance.

**THE RECENT RATE AT WHICH LAND IS BEING DEVELOPED IN THE SAME ZONING CLASSIFICATION AS THE REQUEST, PARTICULARY IN THE VICINITY OF THE PROPOSED CHANGE.** With the current level of knowledge in regards to the surveying and platting of Tract 6A, our ability to make an assessment of such activity without access to each and every planned development and rezoning project in process in the City of Keller, it is impossible to make an assessment or comment of any relevance.

**HOW OTHER AREAS DESIGNATED FOR SIMILAR DEVELOPMENT WILL BE, OR ARE UNLIKELY TO BE, AFFECTED IF THE PROPOSED AMENDMENT IS APPROVED:** The residence at 1016 N. Pearson Lane (subject property of this zoning change request) has been at this location since 1970. No change of any significance will occur if the property is changed from SF-36 to SF-20. No effect to the status quo. Neighbors in the immediate vicinity have been contacted and notified that the zoning change request is being made and at this point, no objections have been noted.

**ANY OTHER FACTORS WHICH WILL SUBSTANTIALLY AFFECT THE HEALTH, SAFETY, MORALS, OR GENERAL WELFARE:** At this time, the intent is to perpetuate the status quo of the existing residence and acquire a zoning designation more harmonious with the Development Code for the betterment of all concerned parties.

**NON-CONFORMING STATUS REQUEST:** Also at this time we are requesting Lot 2, Block A, Maguire Estates, be granted non-conforming status so that the rules pertaining to setback lines, lot size, width, depth, etc., are not factors in the platting process as the proposed Maguire Estates moves forward. Please see attached documents defining non-conforming status and accepted exceptions to the code. The structure located at 1016 N Pearson Lane was annexed into the City of Keller by Ordinance number 360 which in turn makes the existing structure legal non-conforming.
