D. Project Overview

I, the applicant, verify that I have completed the following items in order to be considered for the City of Keller Façade Improvement Matching Grant. I understand that the grant will be processed if all items below are not met.

- └ Two cost proposals for each façade improvement. Example: two proposals for painting, two proposals for signage work, two proposals for lighting, etc.
- └ A 'Statement of Contractor's Qualification' is included with each cost proposal.
- └ One of the cost proposals for each façade improvement is from a business located within the City limits of Keller, when applicable. If a Keller business is not available for an improvement an written explanation needs to be provided.
- └ Exterior photos of the building before any improvements have been made.
- └ Rendering or written description of the façade improvements including proposed color palette.
- └ The proposed façade improvements have not been completed prior to City Council consideration.

DISCLAIMER

I acknowledge that I understand the terms of the City of Keller Façade Improvement Matching Grant Program, and it is my intent to meet the specified terms of this application if approved (50% of the Façade Project cost/Maximum of \$5,000). I understand further that this project is approved for grant reimbursement only in strict accordance with the approved plans that are attached to this application and hereby made part of this agreement. I further understand that change orders on the work in progress require approval by the City of Keller City Council and that failure to comply with this agreement may jeopardize receipt of grant funds.
