

Garage/Workshop 1120 Melody Lane

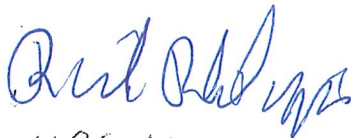

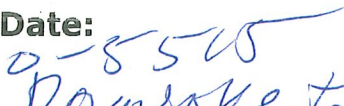

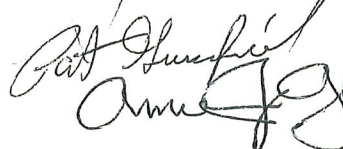

The residents of 1120 Melody lane are applying for an ordinance approving a Specific Use Permit for the following variances; all metal siding and roof, Accessory building square footage would exceed fifty percent (50%) of the primary structure square footage (approx 2160/sf) and exceed the minimum height requirement.

It was requested that the preliminary support for the SUP be garnered from the neighbors. Below are signatures and addresses of those owners:
