development was really	sponse. Sorry I did not respond sooner. Yes, it does seem that I did not realize that this y a small strip mall. Being a multi-tenant building that seems to indicate it is really a sport it. My reason is that there are several strip malls that have vacancies, so I feel that consideration.
Thank you,

Hello Pat,	
for a multi-tenant build	me confusion on what is being proposed here, this proposed plan is for retail/restaurants, not ing. Do you have a phone number that can be reached? I can put you in contact with the and he would be happy to discuss any questions or concerns that you may have.
Thanks,
