SCOPE OF WORK

Description of Services

This section describes the cabling services that DataVox will provide the Customer. DataVox will provide and install a structured cabling system within the Customer's facility as part of this Scope of Work.

Paging System Cabling

This section describes the paging system connectivity that DataVox will provide and install.

- All Paging connectivity will consist of category 5e plenum rated, cable segments terminated on wall mounted, 66 blocks in the IDF Location.
- Cabling pathways for horizontal cabling will be routed above the drop ceiling, with ceiling grid wires and j-hooks.

Paging System Hardware

This section describes the System Hardware that DataVox will provide and install.

(One-Way Paging):

- (1) Valcom, 4 analog zone SIP paging Gateway
- (36) Valcom, Ceiling speaker
- (1) Valcom, admin phone
- (1) Valcom, FXS phone adapter
- (1) VP-6124, Power Supply
- (1) wall mount, 66-blocks

Assumptions and Exclusions

- Pricing in this quotation is based on work being performed during Normal Working Hours.
- Price DOES NOT include any cabling services other than what is outlined in the Scope of Work.
- All cores, conduit, sleeves, back boxes, floor boxes, power poles, NEMA Enclosures, pull boxes and pull string will be provided and installed by others.
- Price assumes that this project will not be under prevailing wage restrictions.

BASELINE RESPONSIBILITIES

DataVox Responsibilities

This section lists DataVox's responsibilities for this Structured Cabling proposal.

- Installation will comply with the Building Industry Consulting Services International (BICSI) standards
- While DataVox cannot take responsibility for furniture or Customer furnished equipment in the workspace, DataVox will take reasonable precautions to protect all Customer furnished equipment, floors, walls, ceiling tiles, windows and window coverings, and furniture and other surfaces from damage, staining or unreasonable breakage while on site.
- Will appoint a Project Manager (PM) and/or Lead Technician (LT) to oversee the installation. During system implementation, please direct all communications through this designated contact.
- PM or LT will coordinate with other trades to facilitate and expedite project progress. Will inform the Customer of any contractor interference or potential delays which could impede implementation, thereby helping to avoid any additional charges.
- Will provide written documentation of any Change Orders (CO) for work requested by the Customer which deviates from the original, approved Proposal and Scope of Works. CO's will be billed at our published labor rates plus materials, shipping, handling, restocking and other charges imposed by suppliers.

NOTE: All documents will be delivered electronically. It will be the Customer's responsibility to make the necessary print copies

Customer Responsibilities

This section lists the Customer responsibilities for this Structured Cabling proposal.

- Will not require work that is in conflict with any existing agreements with other trades or labor unions
- Provide space for receipt of project equipment at installation sites
- Security of project material and equipment, after it is delivered and installed on the customers' premises becomes the responsibility of the customer.
- Provide adequate workspace for the DataVox project team while they are onsite at the Customer's facility
- Customer will provide DataVox personnel with access, keys, and/or escorts to perform the work in a timely and cost effective manner. Any delays in the progress of the work will be billed back to the Customer
- Appoint a representative to act as a single point of contact for the DataVox onsite foreman or personnel. The Customer representative will have the authority to execute written change-orders upon mutual agreement of both parties.
- Pay a 25% restocking fee on all returned items.

TERMS AND CONDITIONS

The DataVox Standard Terms and Conditions shall govern the execution of this proposal.

http://www.datavox.net/DataVox_Standard_Terms_and_Conditions.pdf

This document is confidential and the property of DataVox. Any copy or reuse of this document, its contents, recommendations and/or solutions in whole or part is strictly prohibited without prior written consent of DataVox.

ACCEPTANCE OF PROPOSAL

When (but only when) signed by buyer and an authorized representative of DataVox this shall be a binding, legal contract.

The prices, specifications, and conditions in this proposal are satisfactory, and are hereby accepted in their entirety. Buyer hereby agrees to purchase the Equipment and authorizes DataVox to do the work, and provide the materials specified, and payment will be made as outlined above. The price quoted in this Structured Cabling Proposal is based upon the Equipment included in this Structured Cabling Proposal. Any changes in the Equipment or installation may result in a change in the price. Any such change must be in writing, signed by all parties.

DataVox reserves the right to modify payment terms at any time based on a review of the Customer's credit.

THIS AGREEMENT, WHEN SIGNED BY BOTH PARTIES (BELOW), SHALL BE GOVERNED BY THE DATAVOX STANDARD TERMS AND CONDITIONS. THERE ARE NO OTHER AGREEMENTS, OR WARRANTIES, ORAL OR WRITTEN, EXCEPT AS EXPRESSLY STATED IN THIS STRUCTURED CABLING PROPOSAL. THIS AGREEMENT CANNOT BE MODIFIED EXCEPT IN WRITING SIGNED BY BOTH PARTIES.

Buyer acknowledges having read and understood all of the terms and conditions printed in this Structured Cabling Proposal and acknowledges receipt of a complete executed copy of this Agreement. Buyer understands and agrees that this Structured Cabling Proposal and all of the terms and conditions hereof shall be a binding, enforceable contract when signed by Buyer and by an authorized representative of DataVox.

Approval Signatures

IN WITNESS WHEREOF, the duly authorized representatives of the parties hereto have caused this Proposal to be duly executed.
