Section 8: THAT, expenditures on behalf of the City of Keller, Texas for the following funds are expressly limited or restricted to specific uses by other provisions in the City of Keller Code of Ordinances or State law; therefore, they are considered non-operating funds and no specific annual appropriation, except for interfund (intragovernmental) transfers are provided:

LIBRARY SPECIAL REVENUE FUND: Revenues are derived primarily from donations and contributions specifically designated for library related expenditures. Because of the uncertainty of annual revenues, no annual appropriation budget is prepared.

PUBLIC ARTS SPECIAL REVENUE FUND: Revenues are derived from various sources, in particular donations and developer contributions, and are specifically designated for public art displays. Because of the uncertainty of annual revenues, no annual appropriation budget is prepared.

SINGLE NON-PROFIT TRUST FUND: Revenues are derived from withholdings from employees for health and life insurance premium deductions, and transfers of City-paid health and life insurance benefits on behalf of employees. Revenues are specifically designated for payment of third-party health and life indemnity insurance premiums. Because withholdings from employees for health and life insurance premium deductions are non-budgeted cash outlays, and further, that the cost of City-paid insurance premiums for employees is already provided within the budgets of the respective and various funds of the City, no annual budget appropriation is necessary for this fund.

TREE RESTORATION FUND: Revenues are derived from various sources and are specifically designated for tree new and replacements on city grounds. Because of the uncertainty of annual revenues, no annual appropriation budget is prepared.

GRANT SPECIAL REVENUE FUND: Revenues are derived primarily from various grants, in particular, federal and state agency grants which are designated for specifically related expenditures. Because of the uncertainty of annual revenues, no annual appropriation budget is prepared.

Section 9: THAT, unless related to a project-life expenditure, all appropriations shall lapse at the end of each respective fiscal year.

Section 12: THAT, all ordinances and appropriations for which provisions have heretofore been made are hereby expressly repealed if in conflict with the provisions of this Ordinance.
