PUBLIC HEARING: Consider an ordinance approving a Specific Use Permit (SUP) for Blownaway Salon Suites in an approximately 4,394 square-foot existing lease space, approximately 500 feet southwest of the Davis Boulevard and Bear Creek Parkway intersection, legally described as Lot 1R1, Block A of the Hidden Lakes Center - Keller addition, zoned Commercial (C) and addressed 8831 Davis Boulevard, Ste. 100. Blownaway Salon Suites, Applicant. Keller Bear Creek JV, LLC, Owner. (SUP-24-0019)

Background:

The Applicant requests a Specific Use Permit to operate a medical spa in the Commercial Zoning District in a recently-constructed lease space.

The owner of the property submitted a Site Plan application in July 2023 for a two-suite building, followed by a building permit application in September 2023. A portion of the building is a Pilates studio, and the remaining space was designed to be a multi-suite hair salon.

Because the Site Plan and building permit were approved before the March 2024 Keller Unified Development Code update related to spas and medical spas, the business was not required to get an SUP to operate a salon. The Applicant and Owner have decided to expand services beyond hair, requesting a medical spa SUP which will allow for additional offerings such as massages, facials, Botox, lash services, and other beauty enhancements.

Adopted by City Council in March 2024, the UDC's definition for medical spa states that medical spas

are establishments offering both spa services and non-invasive medical cosmetic procedures, and that all medical procedures must be conducted under the supervision of a medical professional licensed in Texas.
