Subject:

Consider an ordinance approving a residential homestead property tax exemption of 8%, as authorized and defined by Section 11.13(n) of the Texas Property Tax Code in the City of Keller, Tarrant County, Texas; providing a penalty; and authorizing publication.

Background:

In 1986, the City of Keller approved a homestead exemption of 1% and in 2016, the homestead exemption was increased to 4%. The exemption reduces the taxable value of a residential property with a homestead exemption by the greater of 4% of taxable value or \$5,000. The proposed ordinance would increase the exemption by 4% for a total of 8%. The proposed exemption would reduce the preliminary FY 2017-18 (Tax Year 2017) taxable value from \$345,449 to \$331,631 or a taxable value reduction of \$13,818. If approved, the exemption would be included in the Fiscal Year 2017-18 (Tax Year 2017) taxable value calculations.

Budget Impact:

Because the exemption will be applied to an upcoming budget year, staff will modify budget projections to accommodate the approved exemption.

Financial Considerations:

Based upon early taxable value estimates, every 1% increase of exemption would reduce the potential levy by approximately \$185,600. Increasing the exemption by 4% would reduce the potential levy by \$742,400.
