**Action Requested:**

Reject the proposal for Water/Sewer Line Parts received on October 2, 2018 and authorize the City Manager to re-advertise the project.

**Background:**

On October 2, 2018, city staff received only one (1) proposal for Water/Sewer Line Parts. While reviewing the bid received, staff determined that a required part of the submission was missing. Because of this missing item, the City is required to reject the bid and re-advertise for Water/Sewer Line Parts.

In addition to the missing item in the received proposal, the proposing vendor indicated a price increase of forty-nine percent (49%) over the FY 2017-18 agreement. Two other vendors were notified of the bid advertisement, both of which did not respond with a proposal.
