File #: 21-587, Version: 1

To: Mark R. Hafner, City Manager

From: Aaron Rector, Director of Administrative Services

Subject:

Consider a resolution adopting the 2021 City of Keller Financial Management, Investment, Purchasing, and Fund Balance Policies as approved and recommended by the City of Keller Finance Committee.

Background:

As part of the Financial Management policy and Investment policy requirements, Council annually reviews and adopts the Financial Management, Investment, Purchasing, and Fund Balance Policies. The policy reviews helps ensure the policies are up to date, meet regulatory requirements such as the Public Funds Investment Act (PFIA), and reflect best practices. The Financial Management adds a City Manager designee to administrative requirements. The Investment policy changes language to match language changes made in the Public Funds Investment Act. The Purchasing policy corrects a typo in the Emergency Purchases section. The Fund Balance policy increases the General Fund minimum fund balance to 35%, the Pointe minimum to 20%, the Drainage fund minimum to 20%, and the Self-Insurance fund minimum to 75% of annual health and dental insurance requirements.
